## **The New Testament Illustrated:**

The Visual Word Patrick Schreiner, 2021-06-01 The New Testament shouldn't be complicated. So why are we often confused? Every Christian wants to love the Bible. But let's face it: we sometimes get lost in all the names, places, and doctrines that we find in its pages. Who wrote this epistle? Which book is about justification? Joy? Jesus? Aren't they all about him? The New Testament contains complex ideas and multiple genres. Keeping it straight can be hard to do. Wouldn't it be nice if somebody who understands the big picture would put it together for us in one place? Biblical scholar and seminary professor Patrick Schreiner draws from his years of experience as a teacher to offer a simple and memorable way of understanding Scripture. And he doesn't do it by throwing big words at you. The contours of the New Testament and its underlying structure are depicted in visual format along with Schreiner's clear explanations. In The Visual Word, the Bible comes alive because you can see it pictured before your eyes. By taking a graphic approach, you'll notice connections you've never seen before. Gain insights you've missed all these years. And discover an overall pattern that makes each separate piece fall perfectly into place. Don't settle for mere summaries of the New Testament. Let Schreiner's concise words and crisp images work together to help you encounter the Living Word in a fresh way. **The Holy Bible Illustrated**, 1806 **The New Testament Illustrated**

Together we can put them into action in our own lives and communities. In a world that is constantly moving, pulling our attention to screens, noise, commercialism, and instant everything, we all need time to step back, breathe, and consider what's most important to us. **BONUS** Throughout the book, the most important verses in each chapter of the Bible are printed as pull quotes in varying sizes, each size depending on how many times the specific verse is quoted on the internet, giving the reader a truly unique way to access the New Testament's most significant teachings.
