intelligence tests and even cadges free lessons from the world's most prestigious and expensive test prep company. Along the way she answers the questions that plague every test prep rookie including: When do I start? Do the brand name test prep services really deliver? Which should I go with: a tutor, an SAT class or self study? Does test location really matter? How do I find the right tutor? How do SAT scores affect merit aid and what's the one thing I need to know? The Perfect Score Project's combination of charm, authority and unexpected poignancy makes it one of the most compulsively readable guides to SAT test prep ever and a book that will make you think hard about what really matters.

**Homeschooling High School** Shirley Erwee, 2014-08-28. Prospective homeschoolers are parents looking for an alternative to the mainstream educational system for their offspring. But homeschooling children at high school level strikes fear into even the most dedicated of homeschoolers. They need information and answers to their questions. And with the current educational and unemployment problems in South Africa, young people need clear direction and guidance to help them achieve their goals. In addition to exploring the popular ways to gaining a recognised matric certificate outside the formal school system, *Homeschooling High School* also challenges readers to rethink their values, particularly the value they place on certification and to consider some unconventional or alternative paths to success. In a clearly presented format, the book includes advice on legal matters, identifying appropriate courses, sourcing study material, tips on entrepreneurship, financing tertiary studies and the testimonies of successful homeschooled graduates. *Homeschooling High School* is a comprehensive guide to plotting a path through high school and beyond.
