slashers and other fright films artfully reflect our deep worries in a way that resonates with the Christian experience
 Combining critical observation and theological reflection Larsen devotes each chapter to a different horror subgenre
 connecting that subgenre to a commonly shared fear In addition to considering how the Bible acknowledges and speaks to
 that fear each chapter demonstrates how the related themes narratives and aesthetics of a handful of films can be viewed
 through a corresponding theological lens Reading Fear Not movie fans will come to appreciate the artistry of the likes of Get
 Out The Shining The Blair Witch Project The Babadook Night of the Living Dead and The Sixth Sense while also seeing the
 ways these movies resonate with our fears and in some cases hint at God's redemptive comfort The Clown in Greek
