Meyer,2016-09-28 A high level of employee commitment holds particular value for organizations owing to its impact on organizational effectiveness and employee well being This Handbook provides an up to date review of theory and research pertaining to employee commitment in the workplace outlining its value for both employers and employees and identifying key factors in its development maintenance or decline Including chapters from leading theorists and researchers from around the world this Handbook presents cumulated and cutting edge research exploring what commitment is the different forms it can take and how it is distinct from related concepts such as employee engagement work motivation embeddedness the psychological contract and organizational identification *Transforming Work* Patricia Boverie,Michael Kroth,2001-12-20 In this age of stiff competition and free agency no organization can afford to take its employees for granted The new labor market landscape is forcing organizations to think creatively about how to inject passion in the workplace and motivate their employees to find meaning in their work In *Transforming Work* Boverie

and Kroth draw from their extensive research and experience in the field to show executives HR professionals and students how to create inspiring employee friendly work environments in order to capture develop and retain talent and transform both the employees and the organization in the process

Engagement Is Not Enough Keith E. Ayers, 2006 Lack of employee engagement is like a cancer eating away at your organization's vital organs It saps your organization's strength directly affecting your organization's ability to achieve the levels of customer satisfaction productivity and profitability you know you could achieve Keith Ayers presents a compelling argument that the focus on engagement has failed because leaders think engagement can be bought through bonuses benefits and share options That is like trying to cure cancer with an aspirin or band aid The cure for the cancer of disengagement is for leaders to look in the mirror at the leadership they provide In this in depth exploration of the leadership skills needed to get every employee to want to perform at their best Ayers challenges leaders to stop focusing on engagement and set their sights on igniting the fire of passion in their employees
