confessions of a debutante which became an international bestseller Fresh from convent school Charlotte Bingham finds herself propelled from the private tortures of dancing class to the very public horrors of *The Season* Though desperately on the hunt for a Superman to call her own the freezing country house ballroom circuit seems to yield nothing but an inexhaustible crop of charmless chinless young types known as Weeds But Charlotte's adventures are more than sufficiently diverting whether she's bouffing up her hair to try and pass herself off as a beatnik fighting off unwelcome advances in the back of a cab hurtling down the Champs Elysées on the back of a Vespa or accidentally sticking her eyelids together with eyelash glue while at modelling school her experiments in coming of age are never short of intrigue and disaster Published in 1963 when she was just nineteen Bingham's sparkling memoir of her trials and travails became an international bestseller From its pages emerges a deeply lovable and relentlessly optimistic young woman looking for love in all the wrong places

Much to her surprise eighteen year old Lottie has just found out that her aloof rather unexciting father is a spy. And now he's decreed that she must make herself useful and get a Proper Job so she's packed off to MI5 herself trussed up in a dreary suit. Luckily her delightful colleague Arabella is on hand to enliven the torments of typing and decode the enigmas of office life. But as Lottie's home fills with actors doubling as spies and Arabella's mother is besieged with mysterious telephone calls the girls start to feel well and truly spooked. A hilarious true story and a unique window into 1950s Britain where Russian agents infiltrate the highest echelons where debutantes are typists and where Englishness is both a nationality and a code of behaviour. MI5 and Me is a sparkling comic memoir.
