Zaki,2007 Civil Rights and Politics at Hampton Institute presents the story of how one of the preeminent and historically conservative private institutions of black higher education came to play an important part in the struggle for full racial equality Hoda Zaki traces Hampton Institute s progressive impact to its first black and alumnus president Alonzo G Moron who used his office to launch a powerful and sustained attack against segregation A brilliant man who was uncompromising in his beliefs about creating a more inclusive democracy Moron struggled against conservative forces both outside of and within his own institution before his ouster by Hampton s predominantly white governing board in 1959 just a year before the Greensboro sit ins signaled the death knell for the segregationist era in which his institution had prospered Hoda Zaki details the significance of Moron s complicated career through discussions of his theories of citizenship education his work in promoting equal rights as a mission for the college and the political philosophy as evidenced in his speeches that he shared with other civil rights leaders of the era **African American Novels in the Black Lives Matter Era** E. Lâle Demirtürk,2019-08-09 African American Novels in the Black Lives Matter Era Transgressive Performativity of Black Vulnerability as Praxis in Everyday Life explores the undoing of whiteness by black people who dissociate from scripts of black criminality through radical performative reiterations of black vulnerability It studies five novels that challenge the embodied discursive practices of whiteness in interracial social encounters showing how they use strategic performances of Blackness to enable subversive practices in everyday life which is constructed and governed by white mechanisms of racialized control The agency portrayed in these novels opens up alternative spaces of Blackness to impact the social world and effects transformative change as a forceful critique of everyday life African American Novels in the Black Lives Matter Era shows how these novels reformulate the problem of black vulnerability as a constitutive source of the right to life in their refusal of subjection to vulnerability enacted by white institutional and individual forms of violence It positions a white black encounter oriented reading of these neo resistance novels of the Black Lives Matter era as a critique of everyday life in an effort to explore spaces of radical performativity of blackness to make happen social change and transformation **The Encyclopedia of Popular Music** Colin Larkin,2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day
