The October Horse Colleen McCullough, 2002 With the possible exception of the crucifixion of Christ no moment of history is more universally familiar and more often depicted than the assassination of Julius Caesar Caesar is in the prime of his life and the height of his powers as the novel opens A man of contradictions Caesar is happily married yet at the same time the lover of the enigmatic and subtle Egyptian ruler Cleopatra He is at once a great general who commands the instinctive loyalty of Rome's legions and a man who wishes to bring to an end Rome's endless civil and external wars a man not only conscious of his own power and contemptuous of lesser men but respectful of the republic and determined not to be worshipped as a living god or crowned as an emperor a man whose very greatness attracts envy and jealousy to a dangerous degree With her extraordinary knowledge of Roman history Colleen McCullough brings Caesar to life as nobody has ever done before and

surrounds him with an enormous and vivid cast of historical characters portrayed here not as literary figures but as real living people trying to control and master enormous political events and survive

Shakespeare and the Cleopatra/Caesar Intertext Sarah Hatchuel, 2011-07-16 Is William Shakespeare's Antony and Cleopatra a sequel to the earlier Julius Caesar? If this question raises issues of authorship and reception, it also interrogates the construction of dramatic sequels: how does a playtext ultimately become the follow-up of another text? This book explores how dramatic works written before and after Shakespeare's time have encouraged us to view Shakespeare's Julius Caesar and Antony and Cleopatra as strongly interconnected plays encouraging their sequelization in the theater and paving the way toward the filmic confluences of the twentieth century. Blending theories of literary and filmic intertextuality with issues of race and gender and written by an author trained both in early modern and film studies, this book can easily find its place in any syllabus in Shakespeare or in media studies as well as in a wide range of cultural and literary courses

The Death of Caesar Barry Strauss, 2016-03-22 A professor of history and classics describes the actual events of March 15, 44 BC, when Julius Caesar was murdered during the Roman civil wars and compares them to those outlined by William Shakespeare in his famous play. Publisher's description

Cleopatra and Rome Diana E. E. Kleiner, 2009-05-31 This beautifully illustrated book offers a synthesis of Cleopatra's and Rome's defining moments through surviving art and other remnants of what was once an opulent material culture. This culture best chronicles Cleopatra's legend and suggests her subtle but indelible mark on the art of imperial Rome at the critical moment of its inception

The Reception of Cleopatra in the Age of Mass Media Gregory N. Daugherty, 2022-10-06 This study examines the reception of Cleopatra from the beginning of the 20th century to the present day as it has been reflected in popular culture in the United States of America. Daugherty provides a broad overview of the influence of the Egyptian queen by looking at her presence in film, novels, comics, cartoons, TV shows, music, advertising, and toys. The aim of the book is to show the different ways in which the figure of Cleopatra was able to reach a large and non-elite audience. Furthermore, Daugherty makes a study of the reception of Cleopatra during her own lifetime. He begins by looking at her portrayal in the vicious propaganda campaign waged by Octavian against his rival Marc Antony. The consequence was that Cleopatra was left with a tarnished reputation after the civil war. Daugherty's examination of both the historical and contemporary reception of Cleopatra shows the enduring legacy of one of history's most remarkable queens

The Revelation Rainbow Charles Walter Doughty,2016-07-19 This book Revelation Rainbow is the end of a forty year quest by the author to find answers to the questions generated by Biblically un informed scholarship that shrouds rather than unveils the great truths of this Holy Spirit directed work of our Lord Hundreds of students of Revelation have been left in a bewildered state because certain scholars approach the book with a human mindset instead of a Spirit led mindset Instead of looking at Revelation as The Divine apocalypse they try to humanize and literalize the book as a study of human secular history leaving the student with a complicated scheme of things that do not make sense Having met these students Mr Doughty was greatly distressed to see them turn from God s Word especially Revelation altogether Subjects like the Antichrist Millennium Mark of the Best Rapture Tribulation and Left Behind are just some of the end time twists causing confusion
