The Wings of Love Volume 1 Kwabena Osei, 2013-03-07 It is insignificant to blame an imaginary devil for your woes and miseries in your love and sex relationship The power of love is so real natural and creates no misery Rather it is the mind that we use to enter into love and sex relationships which constitutes our agonies and miseries The mind promises much but delivers nothing We use the mind in our daily business activities To love someone with the mind has its cornerstones It reflects on why you are in love When the cornerstone that dragged you to that love and sex relationships fades away you will be totally empty There will be no remains of love in you The rest will be agony and misery When you find no logic and reason and simply do not know why you are in love that is a pure love from your heart Love and sex is a divine gift It serves as finishing touches to crown the unification of two souls of oneness in existence It's by product is the multiplication of human race that makes the world to go round Generations go and generations come through the mystery of the power of love and sex And the world abides forever and ever A perfect natural love from both lovers in unification can trash down any deadly mountain that stands in their way They can easily exploit or discover the hidden mystery planet of love and its pleasure that most people with the mind games in love and sex relationship fail to discover Just let an unconditional sweet melody of love songs reign supreme in your love and sex relationship and you will always find pleasure in love This book *The wings of love* reveals the major facts stories and occurrences in various love and sex relationships To enlighten and bring awareness to those lucky ones who may by the grace of the supreme power of love get access to these inspirational facts of love and sex stories Peace and love

True Love, Volume 1 Ricky Lee Ohl, 2025-03-13 God JEHOVAH Father Son and Holy Spirit is love and a fundamental pillar of the person and word of God is God's love JEHOVAH sent his only begotten Son Jesus into the world because he loved mankind In Genesis 3:15 we learn that God made provision for the

redemption of fallen mankind through the Savior Jesus Christ Jesus the Messiah is God's provision for the reconciliation of mankind with God Jesus has always existed with the Father and the Holy Spirit By him Jesus all visible and invisible things were created and by him all things consist Col 1 16 17 Hence the ultimate demonstration and provision of God's love to mankind is God becoming a man and giving himself as the required sacrifice for the salvation of those who will confess with their mouth the Lord Jesus and believe in their heart that God has raised him from the dead Jesus taught that the Great Commandment is to love God and the Second Commandment is to love one another God first loved us and we are to love God and mankind like Jesus loves us It is fundamental for mankind to seek to know God his love and his ways *Baxter's Practical Works, Volume 1*, 2007-12 The editor's preface 1707 p xiii stated that the works of Richard Baxter are perhaps the best body of practical divinity that is extant in our own or any other tongue Richard Baxter lived from 1615 1691 The DIRECTORY was completed in 1665 Its scope was intended to cover all of practical theology a summa of casuistry Timothy Keller calls it the greatest manual on Biblical counseling ever produced

The Expositions On The Psalms Volume 1 St. Augustine of Hippo, In any commentary on a portion of the Old Testament by a writer unacquainted with Hebrew exact criticism and freedom from mistake must not be expected But the Psalms have been so in the mouth and in the heart of God's people in all languages that it has been necessary often to find an explanation suitable to imperfect translations And no doubt it is intended that we should use such explanations for the purpose of edification when we are unable to be more accurate though in proving doctrine it is necessary always to remember and allow for any want of acquaintance with the original or uncertainty with respect to its actual meaning However the main scope and bearing of the text is rarely affected by such points as vary in different translations and the analogy of the faith is sufficient to prevent a Catholic mind from adopting any error in consequence of a text seeming to bear a heterodox meaning Perhaps the errors of translation in the existing versions may have led the Fathers to adopt rules of interpretation ranging too far from the simple and literal but having such translations they could hardly use them otherwise Meanwhile St Augustin will be found to excel in the intense apprehension of those great truths which pervade the whole of Sacred Writ and in the vivid and powerful exposition of what bears upon them It is hardly possible to read his practical and forcible applications of Holy Scripture without feeling those truths by the faith of which we ought to live brought home to the heart in a wonderful manner His was a mind that strove earnestly to solve the great problems of human life and after exhausting the resources and discovering the emptiness of erroneous systems found truth and rest at last in Catholic Christianity in the religion of the Bible as expounded by St Ambrose This is volume one out of two covering the Psalms I through LXXIII
