Doutrich, 2014-01-10 The two pennant winners in 1926 the National League s Cardinals and the American League s Yankees were a study in contrasts The Yankees were heavily composed of first and second generation Americans and based in New York the epicenter of baseball the Cardinals on the other hand were mostly a collection of farm boys playing at the western fringe of the major leagues But both teams arrived battle tested as St Louis had fought a long close race with Cincinnati and New York had survived a dramatic late season run by Cleveland Their classic World Series meeting went seven games and produced one of the legendary pitcher batter confrontations of baseball history
