[Didactic Press Paperbacks] Edgar Rice Burroughs,2017-05-23 Here is a story that has lain dormant for seven hundred years At first it was suppressed by one of the Plantagenet kings of England Later it was forgotten I happened to dig it up by accident The accident being the relationship of my wife s cousin to a certain Father Superior in a very ancient monastery in Europe He let me pry about among a quantity of mildewed and musty manuscripts and I came across this It is very interesting partially since it is a bit of hitherto unrecorded history but principally from the fact that it records the story of a most remarkable revenge and the adventurous life of its innocent victim Richard the lost prince of England In the retelling of it I have left out most of the history What interested me was the unique character about whom the tale revolves the visored horseman who but let us wait until we get to him It all happened in the thirteenth century and while it was happening it shook England from north to south and from east to west and reached across the channel and shook France The Outlaw of Torn Edgar Rice Burroughs,2016-07-31 Edgar Rice Burroughs September 1 1875 March 19 1950 was an American author best known for his creation of the jungle hero Tarzan although he also produced works in many genres *The Outlaw of Torn* Edgar Rice Burroughs,1981-05-01 Statement by the author Here is a story that has lain dormant for seven hundred years At first it was suppressed by one of the Plantagenet kings of England Later it was forgotten **The Outlaw of Torn** Burroughs Edgar Rice,2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **The Outlaw of Torn** Edgar Rice Burroughg,2020-04-05 The story is set in 13th century England and concerns the fictional outlaw Norman of Torn who purportedly harried the country during the power struggle between King Henry III and Simon de Montfort Norman is the supposed son of the Frenchman de Vac once the king s fencing master who has a grudge against his former employer and raises the boy to be a simple brutal killing machine with a hatred of all things English His intentions are partially subverted by a priest who befriends Norman and teaches him his letters and chivalry towards women Delphi Collected Works of Edgar Rice Burroughs (Illustrated) Edgar Rice Burroughs,2014-06-11 One of the most imaginative writers of the twentieth century Edgar Rice Burroughs created popular and exciting heroes such as Tarzan and John Carter whose thrilling adventures continue to entertain millions of readers across the world This comprehensive eBook presents most complete edition possible of Burroughs works in the US with numerous illustrations rare texts informative introductions and the usual Delphi bonus material Version 1 Beautifully illustrated with images relating to Burroughs life and works Concise introductions to all the novel series ALL the novels in the US public domain works published prior to 1923 with individual contents tables Rare novels available in no other
