

Chapter 7

NOW THERE WERE three of us sitting in the waiting room waiting to hear how Dally and Johnny were. Then the reporters and the police came. They asked too many questions too fast, and got me mixed up. If you want to know the truth, I wasn't feeling real good in the first place. Kind of sick, really. And I'm scared of policemen anyway. The reporters fired one question right after another at me and got me so confused I didn't know what was coming off. Darry finally told them I wasn't in any shape to be yelled at so much and they slowed down a little. Darry's kinda big.

Sodapop kept them in stitches. He'd grab one guy's press hat and another's camera and walk around interviewing the nurses and mimicking TV reporters. He tried to lift a policeman's gun and grinned so crazily when he was caught that the policeman had to grin too. Soda can make anyone grin. I managed to get hold of some hair grease and comb my hair back so that it looked a little better before they got any pictures. I'd die if I got my picture in the paper with my hair looking so lousy. Darry and Sodapop were in the pictures too; Jerry Wood told me that if Sodapop and Darry hadn't been so good-looking, they wouldn't have taken so many. That was public appeal, he said.

Soda was really getting a kick out of all this. I guess he would have enjoyed it more if it hadn't been so serious, but he couldn't resist anything that caused that much excitement. I swear, sometimes he reminds me of a colt. A long-legged palomino colt that has to get his nose into everything. The reporters stared at him admiringly; I told you he looks like a movie star, and he kind of radiates.

Finally, even Sodapop got tired of the reporter--- he gets bored with the same old thing after a time--- and stretching out on the long bench, he put his head in Darry's lap and went to sleep. I guess both of them were tired--- it was late at night and I knew they hadn't had much sleep during the week. Even while I was answering questions I remembered that it had been only a few hours since I was sleeping off a smoke in the corner of the church. Already it was an unreal dream and yet, at the time I couldn't have imagined any other world. Finally, the reporters started to leave, along with the police.

Insiders versus Outsiders Andreas Dür, Gemma Mateo, 2016-07-08 What explains differences in the lobbying behaviour of interest groups And what consequences do these differences have for the access that interest groups can gain to decision makers and the influence that they can exert on policy outcomes Building on an unprecedented amount of empirical evidence on lobbying in Europe this book puts forward a distinction between lobbying insiders and lobbying outsiders Lobbying insiders most prominently business interests try to establish direct contacts with decision makers enjoy good access to executive institutions and manage to shape policy outcomes when mobilizing the public on an issue is difficult Lobbying outsiders in particular citizen groups such as consumer environmental or health non governmental organizations put greater emphasis on mobilizing the public or changing public attitudes find it easier to gain access to legislative decision makers and have the greatest impact on outcomes on issues that are amenable to an outside lobbying campaign The book shows that a single argument building on group type as the main variable can explain variation across interest groups in their choice of strategy their access to decision makers and the conditions under which they can exert influence The existence of lobbying insiders and lobbying outsiders has important implications for both our understanding of political decision making and the normative appraisal of contemporary democracy

Peter's Halakhic Nightmare John R.L. Moxon, 2017-07-20 Did Luke intend Peter's visionary command to eat unclean animals in Acts 10 to suggest the dissolution of the Jewish Law Whilst scholars have argued over sources inconsistent redaction and later reception many have failed to notice here the novel use of a type of transgression anxiety dream John Moxon shows how by the incorporation of such naturalistic motifs Luke takes revelation in a new and decidedly psychological direction probably imitating similar developments in Graeco Roman biography If the vision reveals an illegitimate transfer of disgust within an exaggerated halakha of separation then its target is prejudice and inconsistency not the Jew Gentile divide as such as underlined by the ironic contrast with the pious Cornelius In this reading Luke's non supercessionism is maintained whilst showing him acutely aware of the kinds of nightmare holding many back from the nascent Gentile mission
