Theodore Roosevelt and the Making of American Leadership Jon Knokey, 2015-10-27 The epic story of how one man shaped events people and himself to forever change a country President Theodore Roosevelt forever transformed America ushering the country into the arena of world supremacy His brand of leadership is entirely American confident compassionate energetic diverse visionary But Roosevelt was not a born leader his ascent to the apex of power was not a foregone conclusion He made himself a leader of consequence and it is his epic journey to the White House a road filled with terrific failures intimate introspection and self made luck will inspire readers anew While a graduate student at Harvard author Jon Knokey a Roosevelt historian and business leader unearthed hundreds of unpublished letters and interview notes from Roosevelt contemporaries These long forgotten documents provide a fresh and stunning ringside seat along the 26th President's journey to 1600 Pennsylvania Avenue The stories from Harvard chaps idealistic political reformers coarse cowboys from the Badlands and rough and tumble Rough Riders from the nation's interior all combine to illuminate the maturation process of a man learning to lead at every stage of his life Fast paced and written as a biographical narrative Theodore Roosevelt and the Making of American Leadership places the reader alongside a young Theodore Roosevelt as he learns what he stands for and how he will lead Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

The Works of John Bunyan: Allegorical, figurative, and symbolical John Bunyan, 1853

Dance Carol Wallace, 1986 Twirling figures gloved hands clasped the strains of the violin These words from the first essay in this delightful book could be describing an eighteenth century minuet performed by aristocratic guests at a Versailles ball a nineteenth century cotillion of white gowned debutantes in New York or a stylish moment created on the silver screen by Fred Astaire and Ginger Rogers The steps and the music and the dresses may vary but the exciting and elegant sight of society enjoying itself on the dance floor has persisted through the ages In this book published to coincide with an exhibition held at the Costume Institute of the Metropolitan Museum of Art under the direction of Diana Vreeland four authors look at the subject of social dancing from four different points of view Carol McD Wallace surveys the great balls and dancing parties of Europe England and America from the eighteenth century to the present while Don McDonagh describes the dance steps themselves from the early basse danse of Italy to the twist of modern day America Jean Druesedow associate curator in charge of the Costume Institute discusses the evolution of the ball gown and other costumes designed for dancing and Laurence Libin curator of musical instruments assisted by Constance Old analyzes the way in which dance has been depicted

in works of art through the centuries Illustrated with paintings works of decorative art contemporary prints and photographs these lively essays re create the rhythmic energy the social proprieties the colorful costumes and anecdotes of dances and dancers past and present from dust jacket **Allegorical, figurative and symbolical** John Bunyan,1853 *Christian Meat for Christian Muscles* Sandtorock,2015-06-02 Being strong in the Lord is essential for successful Christian living This is the underlying premise of *Christian Meat for Christian Muscles* Strength in the Lord means that every area of our lives will benefit from a good dose of spiritual nutrition with Jesus as the main course How so Our self esteem can benefit our character can benefit our wisdom can benefit and so to can our faith our love and our appreciation of Christian values It will require strength to lay hold of these spiritual treasures because there is a mighty battle on to stop us But thankfully spiritual strength is dispensed directly from the Lord Spiritual nutrition from Jesus Christ is what He meant when He himself said unless you eat the flesh of the Son of Man and drink His blood you have no life in you Whoever eats my flesh and drinks my blood has eternal life and I will raise him up at the last day John 6 53 54 NIV Of course Hes talking about His own gospel which has the power to save us strengthen us and make us worthy of His name and of Gods mighty Kingdom This book will examine pivotal verses that facilitate the strengthening process See sandtorock com for more info on this important topic

Journey Into Narnia Kathryn Ann Lindskoog,1998 Renowned C S Lewis scholar Kathryn Lindskoog has here expanded and updated her classic study of Lewis s Narnia series originally titled *The Lion of Judah in Never Never Land The Theology of C S Lewis Expressed in his fantasies for Children* Now with the addition of a study guide including a look at the chronological order of the series of the seven books the *Journey into Narnia* is filled with abundant and fresh new background information that not only puts the series in its context but explains many of the English terms unfamiliar to the American reader Ms Lindskoog provides many Biblical parallels which illumine the plot These concise insights and applications are designed for personal reading pleasure as well as being practical helpers for teachers parents and ministers When C S Lewis read the first draft of this manuscript he commented You are in the center of the target everywhere For one thing you know my work better than anyone else I ve met certainly better than I do myself You alone of the critics I ve met realize the connection or even the unity of all the books scholarly fantastic theological and make me appear a single author not a man who impersonates half a dozen authors which is what I seem to most This wins really very high marks indeed This important text of Lewis scholarship has been copied widely used but never surpassed **Nutcracker Nation** Jennifer Fisher,2008-10-01 The *Nutcracker* is the most popular ballet in the world adopted and adapted by hundreds of communities across the United States and Canada every Christmas season In this entertainingly informative book Jennifer Fisher offers new insights into the *Nutcracker* phenomenon examining it as a dance scholar and critic a former participant an observer of popular culture and an interviewer of those who dance present and watch the beloved ballet Fisher traces The *Nutcracker* s history from its St Petersburg premiere in 1892 through its emigration to North America in the mid twentieth century to the

many productions of recent years She notes that after it was choreographed by another Russian immigrant to the New World George Balanchine the ballet began to thrive and variegate Hawaiians added hula Canadians added hockey Mark Morris set it in the swinging sixties and Donald Byrd placed it in Harlem The dance world underestimates The Nutcracker at its peril Fisher suggests because the ballet is one of its most powerfully resonant traditions After starting life as a Russian ballet based on a German tale about a little girl s imagination The Nutcracker has become a way for Americans to tell a story about their communal values and themselves Dedication to Benjamin Harrison, Christian Gentleman; Patriotic Citizen; Brave Soldier; Wise Statesman and 23d President of the United States Old Tippecanoe Club of Chicago (Chicago, Ill.),1889 **The Symbolism of Marriage in Early Christianity and the Latin Middle Ages** Line Cecilie Engh,2025-10-01 In the Middle Ages everyone it seems entered into some form of marriage Nuns and even some monks married the bridegroom Christ Bishops married their sees The popes as vicars of Christ married the universal Church And lay people high and low married each other What united these marriages was their common reference to the union of Christ and Church Christ s marriage to the Church was the paradigmatic symbol in which all the other forms of union participated in superior or inferior ways This book grapples with questions of the impact of marriage symbolism on both ideas and practice in the early Christian and medieval period In what ways did marriage symbolism with its embedded concepts of gender reproduction household and hierarchy shape people s thought about other things such as celibacy ecclesial and political relations and devotional relations How did symbolic cognition shape marriage itself And how if at all were these two directions of thinking symbolically about marriage related multidisciplinary approach high precision conceptual analyses a case study of symbolical cognition *The Imperial magazine; or, Compendium of religious, moral, & philosophical knowledge. Vol.1-12. 2nd ser. (ed. by S. Drew). Vol.1-4* ,1834 Great Thoughts from Master Minds ,1891 **Metagenealogy** Alejandro Jodorowsky,Marianne Costa,2014-08-22 A practical guide to recognizing and overcoming the patterns and influences of the four generations before you Provides exercises to uncover your family s psychological heritage heal negative patterns of behavior and illness in your family tree and discover your true self Explains how we are the product of two forces repetition of familial patterns from the past and creation of new ideas from the Universal Consciousness of the future Interwoven with examples from Jodorowsky s own life and his work with the tarot psychoanalysis and psychomagic The family tree is not merely vital statistics about your ancestors It is an embodied sense of self that we inherit from at least four prior generations constituting both a life giving treasure and a deadly trap Each of us is both an heir of our lineage and a necessary variation that brings the family into new territory Are you doomed to repeat the patterns of your parents and grandparents Or can you harness your familial and individual talents to create your own destiny In Metagenealogy Alejandro Jodorowsky and Marianne Costa show how every individual is the product of two forces the imitating force directed by the family group acting from the past and the creative force driven by the Universal Consciousness from the future Interweaving examples from Jodorowsky s own life and his work

with the tarot psychoanalysis and psychomagic the authors provide exercises visualizations and meditations to discover your family s psychological heritage and open yourself to the growth and creativity of Universal Consciousness They reveal how identifying the patterns emotional programming and successes and failures of the four generations that influence you your siblings parents aunts uncles grandparents and great grandparents allows you to see beyond the stable identity formed by family lineage It frees you to overcome your inherited subconscious patterns of behavior and illness stop the transmission of these patterns to future generations and reconnect with your true self and unique creative purpose in life By understanding your family tree and your place in it you open your ability to heal the ancient struggle between the repetitive forces of the past and the creative forces of the future
