

# The Revelation of Jesus Christ

which God gave  
Him to show to  
His bond-servants,  
the things which  
must soon take  
place. He sent and  
communicated it by  
His angel to His  
bond-servant John.

Revelation 1:1

# The Meaning Of Revelation

**Frank Zedick**

## **The Meaning Of Revelation:**

*The Meaning of Revelation* Helmut Richard Niebuhr, 2006-02-01 This reissue of a 20th century classic emphasizes an understanding of God's revelation that takes seriously both the Bible itself and modern ideas about the nature of history. Includes a new Foreword by Ottati which sets Niebuhr's work in the context of his other writings and explores the significance of this book. *The Meaning of Revelation* Helmut Richard Niebuhr, 1946 *The Meaning of Revelation* H. R. Niebuhr, 1974 *The Meaning of Revelation* John Linton, 1940\* ***The Meaning of Revelation*** Helmut Richard Niebuhr, 1962 ***Behold the Lamb*** James R. Gordon, 2007-10 If your Bible is open to the Book of Revelation you need this companion book open at its side. In times of discouragement and depression the average person likely wouldn't automatically turn to the Book of Revelation as a source of comfort and strength. Yet that's exactly what author James R. Gordon in *Behold the Lamb*. *The Meaning of Revelation* contends readers are to do. Gordon makes the last book of the Bible seem friendly and unthreatening as he encourages readers to keep their focus on Christ and the glory they can anticipate when someday face to face they are in His majestic presence. This introductory guide or survey of Revelation appeals to a lay reader as well as yields excellent preaching points or outlines for a clergy member. Without bogging down in millennial eschatology Gordon urges readers to live with eternity in view instead of being controlled by the present. He says Revelation urgently steers readers toward thoughts such as Am I really trusting Christ for my salvation or am I just playing a game? Can I truly say my faith in Christ is genuine and real? Am I honestly looking forward to the time when God will make everything new? Gordon reminds believers that one day all believers will have the Apostle John's thrilling experience of hearing every creature in heaven and on earth singing praise and honor and glory and power for ever and ever. "*The Meaning of Revelation*" Avery Dulles, 1975 ***The Meaning of the Revelation*** Philip Carrington, 1931 *The Meaning and Message of the Book of Revelation* Edward Allison McDowell, 1951 *Radical Revelation* Balázs M. Mezei, 2017-11-30 This volume offers a practical and innovative interpretation of divine revelation from a philosophical theological perspective. Balázs M. Mezei outlines the most important presuppositions of our notion of divine revelation in a historic and semantic setting as well as elaborating upon the methodology of model analysis. He then introduces and analyses the notion of self-revelation as the most important modern understanding of divine revelation and presents the notion of apocalyptic personhood as a corollary of radical personhood which is further developed into apocalyptic phenomenology. Mezei further examines the remarkable development of some of the most important notions in the history of Christianity along with the homogenous infrastructure of these notions in the very essence of the religion: the doctrine of Trinity. Covering aspects of revelation from semantics to historical and cognitive origins and engaging with a wide variety of texts including Augustine, Thomas Aquinas and Joseph Ratzinger, Mezei makes a strong and clear statement when explaining what the radical revelation is, how it can be understood and its overall importance. ***The Harvard Theological Review***, 1912 *Rethinking the Meaning of Revelation* Clifford Ross

Johnson,1942      **What's Right with the Trinity?** Hannah Bacon,2016-02-11 The doctrine of the Trinity poses a series of problems for feminist theology At a basic level the androcentric nature of trinitarian language serves to promote the male as more fully in the image of God and as the archetype of humanity pushing women to the margins of personhood It is no surprise then that feminist scholarship on this doctrine has often focused on what s wrong with the Trinity setting out the problems raised by the use of traditional androcentric trinitarian language This book brings together a discussion of feminist theological methodology with a critical exploration of the doctrine of the Trinity Focussing on what s right with the Trinity as opposed to what s wrong with the Trinity it considers the usefulness of this doctrine for feminist theology today It replaces a stress on trinitarian language with an emphasis on trinitarian thought exploring how we might effectively think rather than speak God in light of feminist concerns In particular it asks how a trinitarian understanding of God might support and be supported by key values which underpin a feminist way of doing theology specifically values which underpin the methodological use of women s experience in feminist theology The central argument is that thinking God as Trinity need not serve to reinforce patriarchal values and ideals but may in fact promote the subjectivity and personhood of women      **The Catholic Encyclopedia** Charles George Herbermann,1912      **The Meaning of Revelation in Its Relation to Paul's Gospel as Seen in Galatians 1:11-12** Frank Zedick,1958      **Tyndale Bible Dictionary** Walter A. Elwell,Philip W. Comfort,2024-10-08 The Tyndale Bible Dictionary features the work of 139 Bible scholars in more than 1 000 informative in depth articles Thousands of cross references enable users to find additional information and details about other topics that are most important to them With hundreds of pictures maps and illustrations and the very best evangelical scholarship on the Bible this comprehensive single volume Bible dictionary is the principal book in the Tyndale Reference Library and will be an important addition to anyone s Bible reference collection      **The Book of Revelation** Thomas Nelson,2010-01-31 The Book of Revelation is God s message to all who are concerned about the future No Bible guide makes Revelation more understandable than The Smart Guide to the Bible The Book of Revelation You ll grasp the meaning of each verse you ll understand every important symbol and you ll get the big picture of all that God has promised for those who believe in Him The Smart Guide to the Bible is a series of simplified commentaries designed to uncomplicate God s word for everyday Bible readers Every page contains handy features or learning aids like these Cross references to other Scriptures Brief commentaries from experts Points to ponder The big picture of how passages fit with the entire Bible Practical tips for applying biblical truths to life Simple definitions of key words and concepts Interesting maps charts and illustrations Wrap ups of each biblical passage Study questions Whether you re new to the Bible a long time student of Scripture or somewhere in between you ll appreciate the many ways The Smart Guide to the Bible The Book of Revelation goes far beyond your typical Bible study tool The practical relevant helps on each page lead you to get the most out of God s word      **An Introduction to Psychology of Religion** Robert W. Crapps,1986 Developed in almost thirty years of classroom experience

this book is designed to introduce students and other readers to the psychological study of religion Robert W Crapps deals with the major questions and figures that have dominated the psychological study of religion over the past century dividing the discussion into four parts Two chapters in part one suggest the problems and possibilities for the psychological study of religion in light of the nature of religion and the scientific method Part two sketches the contributions to the study of religion of three intellectual currents in contemporary psychology psychoanalysis behaviorism and humanistic psychology part three explores the relationship between religion and human development while part four directs attention to religious lifestyles and that weave differentiated parts of human experience into a cohesive whole Publisher description **A John Haught Reader**

John F. Haught, 2018-11-06 Classical Christian theologies came to expression at a time when the universe seemed relatively fixed and unchanging The otherworldly spiritual instincts of many religions reflected a static vertical and hierarchical understanding of the natural world Today however especially because of developments in the sciences it appears that the universe is still coming into being The writings offered in this book reflect their author's belief that if the universe is unfinished new thoughts about God and all the traditional theological topics are essential to make sense of it all John Haught argues that the universe is best understood according to the metaphor of drama rather than design This means that the most important question in science and theology today is not whether the intricate complexity of life points to a deity or even how God acts in nature but whether the cosmic drama as a whole carries a meaning Unfortunately the devotional life of most religious people on our planet still presupposes an essentially immobile universe Christian instruction for example continues to nurture an otherworldly piety that estranges nature unnecessarily from God The readings in this book however suggest that the ancient Abrahamic hope for the coming of God from out of the future may now become the foundation of a scientifically up to date theology of nature that affirms divine transcendence without robbing nature of its significance

*The Revelation of s. John the divine: expounded on futurist principles* John Charles Wolfe, 1871

Thank you unquestionably much for downloading **The Meaning Of Revelation**. Most likely you have knowledge that, people have seen numerous times for their favorite books following this The Meaning Of Revelation, but stop in the works in harmful downloads.

### **The Meaning Of Revelation Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Meaning Of Revelation PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing

financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Meaning Of Revelation PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Meaning Of Revelation free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
