The Military Dimension Mark II:

The Military Dimension: Mark II David Drake, 1995-02-01 WELCOME TO THE WAR ZONE When they say that war changes a man they're being euphemistic War makes a man insane by civilian standards When the man comes back he may return to civilian norms again After a while I'm not proud of many of the things that happened in Nam I'm not proud of some of the things I did myself But the men I served with were for the most part doing the best job they could with the cards they'd been dealt I'm proud of them and I'm proud to have been among them Anybody's got a right to criticize the things that happened But don't criticize the men who did them unless you've been in their shoes Ever since I came back the object of my military fiction has been to put somebody as normal as you or as I was into a war zone And I hope to God neither you nor your son ever has an opportunity to compare my fiction with the real thing A shorter edition of this book was published under the title *The Military Dimension* At the publisher's request this title is sold without DRM Digital Rights Management

Night & Demons David Drake, 2012-10-02 Here are weird stories set in the present along with alternative histories filled with gritty realism and exacting detail as well as an assortment of horrors and monsters Most of all here are the tough heroes who throughout time master their own fears and face the very real terrors that haunt existence Sometimes these heroes win a partial victory Sometimes it's enough to go down fighting Before Drake was a best selling author of military science fiction he was a prolific writer of horror and fantasy short fiction _Denkirch Drake's first sale is here and well as many stories set in the worlds of his fantasy novels *Ranks of Bronze* *Lord of the Isles* and others More than just a collection of stories *Night Demons* features extensive story notes that chronicle the development of one of science fiction's most popular writers and provide detailed snapshots of the larger than life editors publishers and writers with whom Drake has worked throughout his career At the publisher's request this title is sold without DRM Digital Rights Management About David Drake _The way Drake takes a tried formula and turns it on its ear is what makes him one of the modern masters of SF _Otherwhere Gazette _P rose as cold and hard as the metal alloy of a tank rivals Crane and Remarque _Chicago Sun Times _Drake couldn't write a bad action scene at gunpoint _Booklist About David Drake's RCN series _Rousing old fashioned space opera Publishers Weekly on the _RCN series _The fun is in the telling and Mr Drake has a strong voice I want more _Philadelphia Weekly Press _Space opera is alive and well This series is getting better as the author goes along character development combined with first rate action and memorable world designs _SFReader.com *Minding the Law* Anthony G. AMSTERDAM, Jerome S. Bruner, Anthony G Amsterdam, 2009-06-30 In this remarkable collaboration one of the nation's leading civil rights lawyers joins forces with one of the world's foremost cultural psychologists to put American constitutional law into an American cultural context By close readings of key Supreme Court opinions they show how storytelling tactics and deeply rooted mythic structures shape the Court's decisions about race family law and the death penalty *Minding the Law* explores crucial psychological processes involved in the work of lawyers and judges deciding whether particular cases fit within a legal rule

categorizing telling stories to justify one's claims or undercut those of an adversary narrative and tailoring one's language to be persuasive without appearing partisan rhetorics Because these processes are not unique to the law courts decisions cannot rest solely upon legal logic but must also depend vitally upon the underlying culture's storehouse of familiar tales of heroes and villains But a culture's stock of stories is not changeless Amsterdam and Bruner argue that culture itself is a dialectic constantly in progress a conflict between the established canon and newly imagined possible worlds They illustrate the swings of this dialectic by a masterly analysis of the Supreme Court's race discrimination decisions during the past century A passionate plea for heightened consciousness about the way law is practiced and made *Minding the Law* tilte will be welcomed by a new generation concerned with renewing law's commitment to a humane justice

Amsterdam a distinguished Supreme Court litigator wanted to do more than share the fruits of his practical experience He also wanted to get students to think about thinking like a lawyer To decode what he calls law think he enlisted the aid of the venerable cognitive psychologist Jerome Bruner and the collaboration has resulted in this unusual book James Ryerson *Lingua Franca* Reviews of this book It is hard to imagine a better time for the publication of *Minding the Law* a brilliant dissection of the court's work by two eminent scholars law professor Anthony G Amsterdam and cultural anthropologist Jerome Bruner Issue by issue case by case Amsterdam and Bruner make mincemeat of the court's handling of the most important constitutional issue of the modern era how to eradicate the American legacy of race discrimination especially against blacks Edward Lazarus *Los Angeles Times Book Review* Reviews of this book This book is a gem Its thesis is easily stated but remarkably unrecognized among a shockingly large number of lawyers and law professors law is a storytelling enterprise thoroughly entrenched in culture Whereas critical legal theorists have talked among themselves for the past two decades Amsterdam and Bruner seek to engage all of us in a dialogue For that they should be applauded Daniel R Williams *New York Law Journal* Reviews of this book In *Minding the Law* Anthony Amsterdam and Jerome Bruner show us how the Supreme Court creates the magic of inevitability They are angry at what they see Their book is premised on the conviction that many of the choices made in Supreme Court opinions lack any justification in the text Their method is to analyze the text of opinions and to show how the conclusions reached do not always follow from the logic of the argument They also show how the Court casts its rhetoric like a spell mesmerizing its audience and making the highly contingent shine with the light of inevitability Mitchell Goodman *News and Observer* Raleigh North Carolina Reviews of this book What do controversial Supreme Court decisions and classic age old tales of adultery villainy and combat have in

common Everything at least in the eyes of Amsterdam and Bruner In this substantial study which is equal parts dense and entertaining the authors use theoretical discussions of literary technique and myths to expose what they see as the secret intentions of Supreme Court opinions Studying how lawyers and judges employ the various literary devices at their disposal and noting the similarities between legal thinking and classic tactics of storytelling and persuasion they believe can have astonishing consciousness retrieving effects The agile minds of Amsterdam and Bruner clearly storehouses of knowledge on a range of subjects allow an approach that might sound far fetched occasionally but pays dividends in the form of gained perspective and amusement Elisabeth Lasch Quinn Washington Times Reviews of this book Stories and the way judges intentionally or not categorize and spin them are as responsible for legal rulings as logic and precedent Mr Amsterdam and Mr Bruner said Their novel attempt to reach into the psyche of members of the Supreme Court is part of a growing interest in a long neglected and cryptic subject the psychology of judicial decision making Patricia Cohen New York Times Most law professors teach by the case method or say they do In this fascinating book Anthony Amsterdam a lawyer and Jerome Bruner a psychologist expose how limited most case analysis really is as they show how much can be learned through the close reading of the phrases sentences and paragraphs that constitute an opinion or other pieces of legal writing Reading this book will undoubtedly make one a better lawyer and teacher of lawyers But the book s value and interest goes far beyond the legal profession as it analyzes the way that rhetoric in law politics and beyond creates pictures and convictions in the minds of readers and listeners Sanford Levinson author of Constitutional Faith Tony Amsterdam the leader in the legal campaign against the death penalty and Jerome Bruner who has struggled for equal justice in education for forty years have written a guide to demystifying legal reasoning With clarity wit and immense learning they reveal the semantic tricks lawyers and judges sometimes use consciously and unconsciously to justify the results they want to reach Jack Greenberg Professor of Law Columbia Law School *Fortune's Stroke* Eric Flint,David Drake,2000-06-01 EVIL FROM BEYOND TIME RULES THE GREATEST EMPIRE ON EARTH Link the supercomputer from a future that should not exist has used terror and gunpowder weapons to forge the Malwa Empire harnessing the vast manpower of the Indian subcontinent and using the barbarian races of the periphery to bind the whole together No power on Earth in the 6th century could stand against Link s evil Aide a human soul embodied in a jewel has come back to halt evil s progress Aide has no power but that of truth but truth is the only power that could move the greatest general of the age Belisarius With his sword his paladins and his genius Belisarius has turned the armies of Byzantium into a weapon capable of blunting the first assault of the Malwa hordes Now supported by allies from all the world yet free Belisarius with his wife and co commander Antonia faces overwhelming Malwa numbers in a ring that tightens about them There is no room for maneuver and no safety in defeat The armies of Good and Evil gathered on the fertile plains of Mesopotamia will decide the fate of the world And the fate of all the future At the publisher s request this title is sold without DRM Digital Rights Management **Lt. The Military Dimension Mark II Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Military Dimension Mark II has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Military Dimension Mark II has opened up a world of possibilities. Downloading The Military Dimension Mark II provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Military Dimension Mark II has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Military Dimension Mark II. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Military Dimension Mark II. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Military Dimension Mark II, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Military Dimension Mark II has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
