The Miracle Life of Edgar Mint Michael Cuesta, Gerald Cuesta, 2002

Coming of Age in Contemporary American Fiction Kenneth Millard, 2007-04-18 This book explores the ways in which a range of recent American novelists have handled the genre of the coming of age novel or the Bildungsroman Novels of this genre characteristically dramatise the vicissitudes of growing up and the trials and tribulations of young adulthood often presented through depictions of immediate family relationships and other social structures This book considers a variety of different American cultures in terms of race class and gender and a range of contemporary coming of age novels so that aesthetic judgements about the fiction might be made in the context of the social history that fiction represents A series of questions are asked Does the coming of age moment in these novels coincide with an interpretation of the fall of America What kind of national commentary does it therefore facilitate Is the Bildungsroman a quintessentially American genre What can it usefully tell us about contemporary American culture Although the focus is on the conte **So Many Books, So Little Time** Sara Nelson, 2004-10-05 Will make many readers smile with recognition The New Yorker Readaholics meet your new best friend People This book is bliss The Boston Globe Sometimes subtle sometimes striking the interplay between our lives and our books is the subject of this unique memoir by well known publishing correspondent and self described readaholic Sara Nelson The project began as an experiment with a simple plan fifty two weeks fifty two books that fell apart in the first week It was then that Sara realized the books chose her as much as she chose them and the rewards and frustrations they brought were nothing she could plan for From Solzhenitsyn to Laura Zigman Catherine M to Captain Underpants the result is a personal chronicle of insight wit and enough infectious enthusiasm to make a passionate reader out of anybody Jesus and the Family Frank G. Honeycutt, 2013-08-20 There are few more loaded words in American life than family Jesus grew up in one and honored his parents in fulfillment of the commandments But his teachings on family life stand among the most jarring things he ever said Jesus invites serious followers to hate mother and father He predicts discipleship will bring division rather than peace to family life He completely recasts the definition of kinship as whoever does the will of God In an era when families face unprecedented challenges sticking together for the long haul Jesus's words at first glance seem to welcome disintegration of the Christian household rather than offering healing and a clear way

forward This book examines the off putting words of Jesus in the wider context of radical allegiance and baptismal priority In a country where family devotion is akin to honoring the national flag Honeycutt unpacks an old word for a new generation of Christians called to place Jesus first in all things It s only then that we ll be able to truly help those who share a common roof and lineage

Story Structure: The Key to Successful Fiction William Bernhardt,2020-05-26 Writing is structure William Goldman said but too often aspiring writers plunge into their work without grasping this fundamental principle Story structure is one of the most important concepts for a writer to understand and ironically one of the least frequently taught In this book New York Times bestselling author William Bernhardt explains the elements that make stories work using examples spanning from Gilgamesh to The Hunger Games In each chapter he introduces essential concepts in a direct and easily comprehended manner Most importantly Bernhardt demonstrates how you can apply these ideas to improve your own writing William Bernhardt is the author of more than fifty books including the blockbuster Ben Kincaid series of legal thrillers and The Last Chance Lawyer Bernhardt is also one of the most sought after writing instructors in the nation His programs have educated many authors now published by major houses He is the only person to have received the Southern Writers Gold Medal Award the Arrell Gibson Lifetime Achievement Award the Royden B Davis Distinguished Author Award U Penn and the H Louise Cobb Distinguished Author Award OSU which is given in recognition of an outstanding body of work that has profoundly influenced the way in which we understand ourselves and American society at large The Red Sneaker Writing Center is dedicated to helping writers achieve their literary goals What is a red sneaker writer A committed writer seeking useful instruction and guidance rather than obfuscation and attitude Red sneakers get the job done and so do red sneaker writers by paying close attention to their art and craft committing to hard work and never quitting Are you a red sneaker writer If so this book is for you

What Writers Need to Know: Essential Topics William Bernhardt,2020-01-21 In this volume William Bernhardt tackles essential topics that while smaller in scope are nonetheless necessary to a contemporary author s survival How do you create a memorable series character Should you write in the first person What does Show don t tell really mean How do you add suspense Bernhardt also discusses legal issues confronting writers and marketing concerns such as the all important book description for online sales pages Bernhardt tackles these eleven topics with his usual direct no nonsense style telling writers what they need to know without wasting their time
