The Mysteries Of Life With My Presidential Dreams I Share:

Unlocking the Mystery of Dreams Samuel Alimo ,2020-10-03 A good number of us have turned to search engines folklore psychic or related mediums for insight into a dream or two Chances are we were left confused and disappointed This banal approach has caused many to relegate dreams to mere sleep occurrences which have little to no relevance in their lives Yet the Bible is replete with accounts of counsel deliverance inspiration promotion and prophetic directions made accessible to individuals families and nations through dreams Though it was foretold that dreams will abound in this era when the Holy Spirit is being poured upon all flesh few are equipped to harness the potential of this divine channel of communication From childhood I have had a prolific dream gift which has been nurtured to impact several individuals and groups Through extensive studies and evaluation of my experiences I have learnt vital principles necessary for stewarding and maximising this gift In this book you will find insights for careful analysis creative interpretation wholesome communication and sound application of dreams Through the illustrations given you will learn how dreams make God s involvement in our lives real and foster a deeper connection with God people and purpose

Raymond Mitchell Moore was once a Marine sniper and CIA assassin The United States is now known as the Republican Occupied Majority European States of America and an emperor named Natal Apollyon Vicar rules it Respected for his service to his country Raymond is given the job of Natals press secretary never expecting he would soon be tried for treason Raymond is caught and imprisoned for leaking a blog called The Watchmen Chronicle His enemies are high up in the government Secret Service agents and even his nemesis the Reverend Maximus Coven Coven was once part of a secret prophetic society called the Watchmen Intercessory Counsel which forewarned about Natals meteoric rise to power Now one hundred years old Raymond awaits trial for treason but while rotting in prison he writes an important journal about how

Natal's family came to power and how he met them. As it turns out, Raymond is much more than a press secretary; he was once given the task of raising a boy who would become the antichrist. Raymond has protected Natal all his life, so is he guilty or innocent of doing something awful and in whose eyes? Public Papers of the Presidents of the United States, William J. Here Platz emphasizes how much greater God's dreams are than one's own and identifies the life dynamics that rob people of their God-given dreams. **Congressional Record** United States. Last but definitely not least, what is my reason or purpose here on Earth? He believes that all of us has reason, and not only a reason, but a specific purpose. Still, the responsibility is ours to find the answer to, or the pathway to, that mystical journey wherein lies the blueprint for our purpose. Some of the things given to him while being guided by mystical hands and Divine directions: many modern-day preachers or so-called prophets would have arenas full to its capacity to hear such premonitions but would probably fail to project a positive point of view in that light when they feel good and prosperity religion has become the anthem of the day, although they could very well be benefited in one way or the other if they so choose to be enlightened from that perspective. At age seventeen, he heard his name called by a mysterious voice: the Most High God from the Heaven of Heavens. It was at that time his first supernatural insight was unveiled, and that sight not only left him in awe but it went on to change the whole outlook of his life forever. His story and encounters, which seem to be in very sharp similarity to that of the Old Testament dreamers.

and prophetic forecasters may very well engrave him as their modern day version He was given specific insight of the tribulation president which is Donald Trump that he has told the world of long before now and who he will pass the baton to bring the world to a screeching halt Again this book may not tickle the fancy of everyone One may choose to agree or disagree with its contents and rightly so No apology is needed Opinions are free and to each his own but to whosoever will so let it be While one class of readers may find it less intriguing the other may just find it to be a spiritual master piece invented by Divine inspiration Marcia Rodney
