The Nothingness Of Ben:

The Nothingness of Ben Brad Boney, 2012-11-23 The Austin Trilogy Book One Ben Walsh is well on his way to becoming one of Manhattan's top litigators with a gorgeous boyfriend and friends on the A list. His life is perfect until he gets a phone call that brings it all crashing down: a car accident takes his parents and now he must return to Austin to raise three teenage brothers he barely knows. During the funeral, Ben meets Travis Atwood, the redneck neighbor with a huge heart. Their relationship initially runs hot and cold from contentious to flirtatious but when the weight of responsibility starts wearing on Ben, he turns to Travis and the pressure shapes their friendship into something that feels a lot like love. Ben thinks he's found a way to have his old life, his new life, and Travis too, but love isn't always easy. Will he learn to recognize that sometimes the worst thing imaginable can lead him to the place he was meant to be? **Married for the Tycoon's Empire** Abby

Green, 2016-10-01 In this contemporary romance by a USA Today bestseller, a bride could soften a Manhattan billionaire's image, but the one he wants has a hard heart. Ben Carter's reputation has been savaged by a shocking press exposé, and there's only one way to save both it and his latest business venture: with a gold ring. In Julianna Ford, daughter of his European rival, Ben's found the perfect candidate until she says no. No one refuses Ben Carter, not least of all this beautiful and beguiling English society princess. So when Julianna auctions one kiss for charity, Ben seizes the chance to win his heiress. He might have paid one million dollars for a kiss, but Ben intends to have so much more. *Ghost Hunters Anthology 3* S. H.

Marpel, 2018-09-05 The adventures of the Ghost Hunters continue with more exotic locations and hair-raising paranormal adventures than ever before. Visiting a haunted planet where the normal is falling between two worlds while John winds up solving being in a coma away from his body. The goddess Harpy returns with a simple request for John: a personal and very human one. Sal has to help John sort out a mental misperception that could kill him off unless unraveled. A classic murder detective story where a ghost re-enacts the scene of a crime. In order to find out how she died. Even elementals can have mysteries, especially when they were the by-product of terrorists and government experimentation. All in short reads that fit into the time you have to read. Delicious mental snacks that will leave you with new ideas to consider long after the entertainment is over. Get Your Copy Now *The Pillars of Solomon* Jon Land, 2025-08-22 Ben Kamal hasn't investigated a case since his last assignment with Danielle. But missing children in his native West Bank rekindle his interest in his career, reminding him of his own lost children. Danielle Barnea had put her career on hold as well until a personal tragedy left her with nothing else to turn to. Her first case is the apparently random murder of a Jerusalem shopkeeper who was also one of Israel's earliest war heroes. What Ben and Danielle don't know can't know is that their separate investigations are linked by a secret born of the blood that forged a nation. As decades of white slavery around the world bear their bitter fruit, the secret has the power to topple governments and explode the Middle East into a maelstrom of chaos and destruction. To stop history from being rewritten, Ben and Danielle must follow a dangerous path to a truth that no one wants revealed and that someone
