Teachers Talking about their Classrooms Carmel Mesiti, Michèle Artigue, Hilary Hollingsworth, Yiming Cao, David Clarke, 2021-07-15 Different communities speaking different languages employ different naming systems to describe the events actions and interactions of the mathematics classroom The International Classroom Lexicon Project documented the professional vocabulary available to middle school mathematics teachers in Australia Chile China the Czech Republic Finland France Germany Japan Korea and the United States National teams of researchers and experienced teachers used a common set of classroom videos to stimulate recognition of familiar terms describing aspects of the mathematics classroom This book details the existing professional vocabulary in each international community by which mathematics teachers conceptualise their practice and explores the characteristics structures and distinctive features of each national lexicon This book has the potential to enrich the professional vocabulary of mathematics teachers around the world by providing access to sophisticated classroom practices named by teachers in different countries This one volume offers separate individual lexicons developed from empirical research the capacity to juxtapose such lexicons and an unmatched opportunity to highlight the cultural historical and linguistic bases of teachers professional language **Routledge Library Editions:**

Wordsworth and Coleridge Various, 2021-07-14 Beginning with the publication of their joint collection of poems *Lyrical Ballads* in 1798 William Wordsworth and Samuel Taylor Coleridge were instrumental in helping to establish the Romantic Movement as a major force in nineteenth century British literature Two of the movement's greatest figures they were responsible for composing some of the most well known poems in the British literary canon and influenced generations of acolytes They were also the foremost literary critics of the period contributing influential writings on literary theory and philosophy exemplified by Coleridge's *Biographia Literaria* Routledge Library Editions Wordsworth and Coleridge assembles a wide range of scholarship and criticism that covers all aspects of their diverse output and charts the vicissitudes of their lives examining their poetry criticism philosophy and sources of inspiration It will also help introduce them to newer readers and explain notoriously difficult to understand works like Wordsworth's *The Prelude* This set reissues 14 books originally published between 1960 and 1991 and will be of interest to students of literature and literary history **Tressell** David

Harker, 2003-07 Tressell *The Real Story of The Ragged Trousered Philanthropists* describes the author's life puts the book in its historical context and traces its success over the past ninety odd years It shows that *The Ragged Trousered Philanthropists* is about socialist values and their continued relevance at a time when we are being told that capitalism is here for ever that greed is good that war famine poverty racism and oppression are natural normal and permanent features of life on Planet Earth Crucially Tressell's passionate compassionate denunciation of the capitalist system is about hope so little wonder *The Ragged Trousered Philanthropists* is selling very well indeed in these anti capitalist days **BOOK JACKET**

Translating Home in the Global South Isabel C. Gómez, Marlene Hansen Esplin, 2023-11-30 This collection explores the relationships between acts of translation and the movement of peoples across linguistic cultural and physical borders centering the voices of migrant writers and translators in literatures and language cultures of the Global South To offer a counterpoint to existing scholarship this book examines translation practices as forms of both home building and unhoming for communities in migration Drawing on scholarship from translation studies as well as eco criticism decolonial thought and gender studies the book's three parts critically reflect on different dimensions of the intersection of translation and migration in a diverse range of literary genres and media Part I looks at self translation collaboration and cocreation as modes of expression born out of displacement and exile Part II considers radical strategies of literary translation and the threats and opportunities they bring in situations of detention and border policing Part III looks ahead to the ways in which translation can act as a powerful means of fostering responsibility solidarity and community in building an inclusive multilingual public sphere even in the face of climate crisis This dynamic volume will be of particular interest to students and

scholars in translation studies migration and mobility studies postcolonial studies and comparative literature The Introduction of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution NonCommercial NoDerivatives CC BY NC ND 4.0 International license 4.0 license **Higher Education in the Asia-Pacific** Simon Marginson, Sarjit Kaur, Erlenawati Sawir, 2011-08-21 This survey provides unprecedented scope and detail of analysis on higher education in the Asia Pacific region In this era of global integration convergence and comparison the balance of power in worldwide higher education is shifting In less than two decades the Asia Pacific region has come to possess the largest and fastest growing higher education sector on Earth The countries of East and Southeast Asia and the Western Pacific together enrol 50 million tertiary students compared to 14 million in 1991 and will soon conduct a third of all research and development In China Hong Kong Taiwan Korea and Singapore world class universities are emerging at breakneck pace fostered by modernizing governments that see knowledge and skills as key to a future shaped equally by East and West and supported by families deeply committed to education But not all Asia Pacific countries are on this path not all reforms are effective and there are marked differences between nations in levels of resources educational participation research state controls and academic freedom Higher Education in the Asia Pacific Strategic responses to globalization provides an authoritative survey of tertiary education in this diverse and dynamic region Its 23 chapters written by authors from a dozen different countries focus successively on the Asia Pacific as a whole the strategies of individual universities and national policies and strategies in response to the global challenge **The Oxford History of Anglicanism, Volume I** Anthony Milton, 2017-01-26 The Oxford History of Anglicanism is a major new and unprecedented international study of the identity and historical influence of one of the world's largest versions of Christianity This global study of Anglicanism from the sixteenth century looks at how was Anglican identity constructed and contested at various periods since the sixteenth century and what was its historical influence during the past six centuries It explores not just the ecclesiastical and theological aspects of global Anglicanism but also the political social economic and cultural influences of this form of Christianity that has been historically significant in western culture and a burgeoning force in non western societies today The chapters are written by international experts in their various historical fields which includes the most recent research in their areas as well as original research The series forms an invaluable reference for both scholars and interested non specialists Volume one of The Oxford History of Anglicanism examines a period when the nature of Anglicanism was still heavily contested Rather than merely tracing the emergence of trends that we associate with later Anglicanism the contributors instead discuss the fluid and contested nature of the Church of England's religious identity in these years and the different claims to what should count as Anglican orthodoxy After the introduction and narrative chapters explain the historical background individual chapters then analyse different understandings of the early church and church history variant readings of the meaning of the royal supremacy the role of bishops and canon law and cathedrals the

very diverse experiences of religion in parishes styles of worship and piety church decoration and Bible usage and the competing claims to Anglican orthodoxy of puritanism avant garde conformity and Laudianism Also analysed are arguments over the Church of England's confessional identity and its links with the foreign Reformed Churches and the alternative models provided by English Protestant activities in Ireland Scotland and North America The reforms of the 1640s and 1650s are included in their own right and the volume concludes that the shape of the Restoration that emerged was far from inevitable or expressive of a settled Anglican identity

The Role of Images and the Veneration of Icons in the Oriental Orthodox Churches Christine Chaillot, 2018 The aim of this book is to demonstrate the presence in the very ancient Eastern Churches of religious images of all kinds icons paintings illuminations including the representation of Christ together

with the veneration not the adoration of icons images Presented here are not only the iconographic but also the liturgical and especially the Christological dimensions of the icon on the basis of texts used by these four traditions down the centuries In contrast to the Byzantine Orthodox world which after a controversy on this subject officially established the veneration of icons from the time of the Second Council of Nicaea 787 and in 843 these Churches did not experience Iconoclasm Christine Chaillot is Swiss and Orthodox Patriarchate of Constantinople She has published several books on the Orthodox Churches and the Oriental Orthodox Churches Series Studies on Oriental Orthodox Church History Studien zur Orientalischen Kirchengeschichte Vol 55 Subject Religious Studies Christian Studies History Iconography **Planning in the Soviet**

Union Philippe J. Bernard, 2013-10-22 Planning in the Soviet Union compiles the result of M Bernard's two month visit to the USSR in 1961 for the purpose of investigating regional planning on behalf of the French Government Planning Office This compilation deals with the Soviet planning apparatus including its organization and administration together with the reforms that have been at work since 1957 furnishing a broad outline of the many economic and social problems forming the essence of Soviet thinking and planning This book provides a very clear picture of the complexity of problems involved particularly with the USSR government battling with the concepts of centralization decentralization and in industry between a vertical and horizontal structure The topics that include economic growth investment location of industry transport manpower use of available local resources and migration are discussed only in broad outline of the magnitude of problems in the Soviet economic system The efficiency of investments choice of criteria problem of priorities productivity in highly integrated units rationalization specialization and cooperation are also deliberated in this selection This publication is intended for the average informed reader particularly those who are interested in administering the planning apparatus in the near future

Discern(e)ments, 2022-06-08 A bilingual collection of essays on the aesthetics of Gilles Deleuze Discern e ments highlights what is at stake in Deleuzian philosophy of art It traces the reception of Deleuzian thought in a broad range of disciplines and gauges its use value in each of them Following the dynamics between structure and becoming that punctuates Deleuzian aesthetics Discern e ments sketches and erases boundaries between methods and traditions in philosophy and art theory as well as in literary performance and film studies Offering both numerous case studies as well as theoretical outlines Discern e ments engages faculties disciplines and criticisms not in a mere exchange of points of view but in heterogenesis mapping out further discernments in Deleuzian aesthetics **Hope and Memory** Tzvetan Todorov, Cvetan Todorov, 2016-05-31 Both a political history and a moral critique of the twentieth century this is a personal and impassioned book from one of Europe's most outstanding intellectuals Identifying totalitarianism as the major innovation of the twentieth century Tzvetan Todorov examines the struggle between this system and democracy and its effects on human life and consciousness Totalitarianism managed to impose itself because more than any other political system it played on people's need for the absolute it fed their hope to endow life with meaning by taking part in the construction of a paradise on earth As

a result millions of people lost their lives in the name of a higher good While democracy eventually won the struggle against totalitarianism in much of the world democracy itself is not immune to the pitfall of do goodery moral correctness at home and atomic or humanitarian bombs abroad Todorov explores the history of the past century not only by analyzing its spectacular political conflicts but also by offering moving profiles of several individuals who at great personal cost resisted the strictures of the communist and Nazi regimes Some Margarete Buber Neumann David Rousset Primo Levi and Germaine Tillon were deported to concentration camps Others Vasily Grossman and Romain Gary fought courageously in World War II All became exemplary witnesses who described with great lucidity and humanity what they had endured This book preserves the memory of the past as we move into the twenty first century arguing eloquently that we must place the past at the service of a just future
