Rosenblum,2024-10-08 A surprising history of how the pig has influenced Jewish identity Jews do not eat pig This not always true observation has been made by both Jews and non Jews for more than three thousand years and is rooted in biblical law Though the Torah prohibits eating pig meat it is not singled out more than other food prohibitions Horses rabbits squirrels and even vultures while also not kosher do not inspire the same level of revulsion for Jews as the pig The pig has become an iconic symbol for people to signal their Jewishness non Jewishness or rebellion from Judaism There is nothing in the Bible that suggests Jews are meant to embrace this level of pig phobia Starting with the Hebrew Bible Jordan D Rosenblum historicizes the emergence of the pig as a key symbol of Jewish identity from the Roman persecution of ancient rabbis to the Spanish Inquisition when so called Marranos Pigs converted to Catholicism to Shakespeare s writings to modern memoirs of those leaving Orthodox Judaism The pig appears in debates about Jewish emancipation in eighteenth century England and in vaccine conspiracies in World War II rallying cries when many American Jewish soldiers were eating ham for Uncle Sam in conversations about pig sandwiches reportedly consumed by Karl Marx and in recent deliberations about the kosher status of Impossible Pork All told there is a rich and varied story about the associations of Jews and pigs over time both emerging from within Judaism and imposed on Jews by others Expansive yet accessible Forbidden offers a captivating look into Jewish history and identity through the lens of the pig **A Companion to British-Jewish Theatre Since the 1950s** Jeanette R.

Malkin,Eckart Voigts,Sarah Jane Ablett,2021-03-25 The first of its kind this companion to British Jewish theatre brings a neglected dimension in the work of many prominent British theatre makers to the fore Its structure reflects the historical development of British Jewish theatre from the 1950s onwards beginning with an analysis of the first generation of writers that now forms the core of post war British drama including Tom Stoppard Harold Pinter and Arnold Wesker and moving on to significant thematic force fields and faultlines such as the Holocaust antisemitism and Israel Palestine The book also covers the new generation of British Jewish playwrights with a special emphasis on the contribution of women writers and the role of particular theatres in the development of British Jewish theatre as well as TV drama Included in the book are fascinating interviews with a set of significant theatre practitioners working today including Ryan Craig Patrick Marber John Nathan Julia Pascal and Nicholas Hytner The companion addresses not only aesthetic and ideological concerns but also

identifies religious and secular feminism s common critical moment as that of idol breaking It reads the women s liberation movement as founded upon a philosophically and emotionally risky attempt to liberate women s consciousness from a three fold cognitive captivity to the self idolizing god called Man the God who is a projection of his power and the idol of the feminine called Woman that the god called God created for Man Examining a period of feminist theory theology and culture from about 1965 to 2010 this book shows that secular as well as Christian Jewish and post Christian feminists drew on ancient and modern tropes of redemption from slavery to idols or false ideas as a means of overcoming the alienation of women s being from their own becoming With an understanding of feminist theology as a pivotal contribution to the feminist criticism of culture this original book also examines idoloclasm in feminist visual art literature direct action and theory not least that of the sexual politics of romantic love the diet and beauty industry sex robots and other phenomena whose idolization of women reduces them to figures of the feminine same experienced as a de realization or death of the self This book demonstrates that secular and religious feminist critical engagements with the modern trauma of dehumanization were far more closely related than is often supposed As such it will be vital reading for scholars in theology religious studies gender studies visual studies and philosophy
