individually or as a part of the greater saga tales of wonder and terror death and survival blood and beauty Do it today before the apocalypse comes He hesitated before peeling off a wedge and placing it in his mouth at which he closed his eyes and seemed to melt hanging back his head working his jaw in a circular motion reopening his eyes pausing suddenly What I asked What is it He tilted his head peering into the branches Isn't that strange I followed his gaze into the tree but alas saw nothing Which of course was precisely the problem there was nothing no oranges no leaves no uppermost branches it was as though someone or something had picked the treetop clean Someone has a helluva reach said Maldano I looked around the lot at the lichen covered Public Market and the Jersey Mike's Subs with the Prius in its window at the Vietnamese Nail Salon and the El Buzo Peruvian Restaurant We should split up canvas the area Make sure there's nothing else Yeah said Maldano I think you're right I headed for the Public Market Make a sweep of the strip mall I'm going to check out that grocery store He laughed a little at that which caused me to pause Orders Hooper I half turned but didn't make eye contact Sorry I mean in all this This Big Empty This world tenanted by willows and the souls of willows There was something in his voice Something subtle something contentious Call it what you like I said and continued toward the market
