The McLittles - Book One A.W. Metcalfe,2015-06-11 Imagine a world where everyone seems to have mysteriously disappeared This is the setting in which our story begins but it is soon apparent that all is not what it seems The McLittles is a series of adventures centered around five remarkable little girls ranging in age from three to eight Each has her own challenges and her own special gifts qualities that are central to their survival They come together in a deserted world with no memory of their past no one to protect them and no concept of the dangers that will face them in their future Though they experience daunting challenges they learn that through their collective efforts they can achieve just about anything In The McLittles Book One A Journey Begins we are introduced to the girls as they set out into the countryside where they hope to increase their chances of survival What at first seems like a sensible decision brings unexpected challenges of living in the wild far more than any of the McLittles could ever have imagined      The McLittles - Book One: A Journey Begins A.
