**Relating Carol Shields's Essays and Fiction** Nora Foster Stovel, 2023-01-01 This collection of essays explores celebrated Canadian author Carol Shields's experimentation with the essay genre in relation to her fiction. Shields's essays clarify her iconoclastic approach to rules of narrative and illuminate her revisionist policies elucidating the development of her fiction both novels and stories as her writing gradually becomes more explicitly feminist as well as more daringly postmodernist. The dozen essays by the eminent Canadianists included in this edition throw fresh light on Shields's writing inviting us to read it with new eyes by revealing how her essays reflect and refract the brilliance of her fiction. These essays read Shields's fiction through the lens of her essays including those contained in the recent Giardini edition wherein the author explains the creative methodologies involved in her fiction and also offers specific advice to writers of fiction. **A Dictionary of Slang and Unconventional English** Eric Partridge, 2006-05-02 The definitive work on the subject this Dictionary available again in its eighth edition gives a full account of slang and unconventional English over four centuries and will entertain and inform all language lovers. **American Book Publishing Record**, 2005 **Thinking Straight** Chrys Ingraham, 2005 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company.
