Book 9 Prophets HC Kurt Jurgensmeier, 2012-08-22 Is God still giving revelation today That question is at the heart of the claims of the largest theological movement of Christianity since the Reformation charismaticism And the foundation of their position is that the gift of prophecy is still operating today This book is a detailed study of the gift and it defends the following Modern claims to prophecy are one of the most widespread and dangerous frauds in Christianity Real biblical Prophets spoke divinely authoritative revelation and always predicted the future with perfect accuracy in order to authenticate themselves Modern so called prophets either make mistaken predictions or claim they don't even need to try There was no difference between the authority and purpose of OT Jewish Prophets like Jeremiah and NT Christian Prophets like Agabus The Church universally testified that the gift of prophecy ceased by the third century God really hates modern false claims to be speaking for Him God's Armor Bearer Vol. 3 Terry Nance, 2005-09-28 Terry Nance in the sequel to God's Armorbearer champions the local church and its

leadership focusing believers on the traditional time honored values of the local church He reaffirms the place and position of the local church in our lives In a day of apathy and indifference Nance calls us to faithfulness to our local churches pastors leaders and congregations in an effort to more effectively impact our local communities The Gospel magazine, and theological review. publication remedies this combining a fresh translation of Volume One with a first English translation of Volume Two Together the two volumes constitute the first part of Ellul s planned four part treatment of Christian ethics In Volume Two Ellul examines the origin of the problem of Good and Evil surveys the contemporary morality of Western society and provocatively sketches the paradox of an impossible and yet necessary Christian ethics In Volume Two he carries this discussion forward outlining the characteristics and conditions of Christian ethics and analysing the relationship between ethics the legal texts of the Bible and dogmatic theology He concludes by reimagining the theological use of the analogy of faith for scriptural interpretation Throughout Ellul remains in dialogue with Karl Barth Dietrich Bonhoeffer Paul Ricoeur and others helping to cement To Will and To Do as a major intervention in twentieth century theological ethics
