The Medical Conspiracy Behind My Wife's Demise Pradeep K. Berry,2020-05-05 One day Constance A Connie Berry Pradeep Berry's wife of 41 years passed away due to unforeseen medical circumstances His mourning continues and he seeks to cope with the loss in this tribute to his beloved spouse The Medical Conspiracy Behind My Wife's Demise celebrates not just their love a love that would have never happened if he hadn't left India to go to the United States but also accounts the unfortunate contentious and suspicious circumstances surrounding Connie's death With just seven dollars on hand never in his wildest dreams did Pradeep Berry expect to meet a beautiful intelligent wife in America His family embraced Connie when they realized she was polite smart and self made She became the star of the family Berry lovingly describes Connie's qualities character ethics as well as her professional career He observes that even though he's been in tremendous pain since she died he would have never had such a long and happy marriage if he and Connie had not loved each other so much Connie and Pradeep both considered themselves as two bodies and one soul and he hopes they will again be two bodies and one soul in the next life Reviews for the previous edition My Connie A debut author pays tribute to his deceased wife in this memoir The prose style is sometimes stilted and other times histrionic However it occasionally achieves moments of quiet lyricism as a result it doesn't have much to teach readers about how to get over a loss Rather it's a raw document of the middle of grief and all the emotions that come with it An emotional elegy that's somewhat undisciplined in style Kirkus Reviews When a loved one dies the grief can be overwhelming For some survivors this grief manifests in all different manners of behaviors in an effort to keep the memory of that lost loved one alive For Mr Berry in the aftermath of the death of his beloved wife of 41 years it manifested in him writing this loving tribute My Connie Pacific Book Review In 2015 author

Pradeep Berry lost his wife of 41 years His new memoir however isn't an account of moving through grief to healing rather it's a repository of his pain Like a personal journal its entries reflect his roller coaster emotional state recurrent thoughts about his wife's death and grief stricken lamentations [BlueInk Review My Connie](#) is a heartfelt if repetitive account of a husband's grief [Foreword Reviews](#)

Contested Identities Peter Loizos,Eythymios Papataxiarchis,2016-09-29 In this collection leading anthropologists provide a comprehensive yet highly nuanced view of what it means to be a Greek man or woman married or unmarried functioning within a complex society based on kinship ties Exploring the ways in which sexual identity is constructed these authors discuss for example how going out for coffee embodies dominant ideas about female sexuality moral virtue and autonomy why men in a Lesbos village maintain elaborate friendships with nonfamily members while the women do not why young housewives often participate in conflict resolution rituals and how the dominant role of mature married householders is challenged by unmarried persons who emphasize spontaneity and personal autonomy This collection demonstrates that kinship and gender identities in Greece are not unitary and fixed kinship is organized in several highly specific forms and gender identities are plural competing antagonistic and are continually being redefined by contexts and social change
