Tortorice, 2007 This new edition of an ABA best seller will provide anyone who conducts meetings with an easy framework for efficiency and fairness With a system that is easy to implement this book is organized in an intuitive fashion to make it easy to refer to for guidance during a meeting The framework is perfect for any organization looking to adapt them as a starting point for their own customized bylaws The book is fully indexed and contains charts helpful for handling tricky situations at a glance *The Modern Rules of Order* Donald A. Tortorice, 2014 The essential purpose of parliamentary rules for a business meeting is quite simply to provide a framework of established procedures for the orderly and fair conduct of the meeting s business All too frequently however traditional parliamentary rules can lead to confusion disagreement and disruption when in debate on a particularly troublesome issue it is discovered that the Chair of the meeting is not completely familiar with what can be complex and involuted procedures This is not surprising since traditional rules were tailored to formally structured parliamentary debate The Modern Rules of Order aims to provide a more modern and simplified procedure that promotes efficiency decorum and fairness in a form that can be easily mastered and later referred to with ease They are designed for application to a business meeting whether the business is that of a major corporation or a small non profit association in order to promote timely consideration of the substance of the meeting rather than ritualistic procedure Unedited summary from book cover *The Modern Rules of Order* Donald A.
