The Morning Side Of The Hill A Novella English Edition:

The Morning Side of the Hill Ezra E. Fitz, 2015-07-13 In *THE MORNING SIDE OF THE HILL* Ezra E Fitz debut novella he asks readers What if you anted up and kicked in everything you had on a belief a hope a dream on faith and you lost This is one of the questions facing Willie and Mo the two insecure incomplete protagonists that was inspired by and is an homage to William Faulkner s classic novel *The Wild Palms* Like Faulkner s novel it unfolds in two parallel stories told in alternating chapters that subtly illuminate one another In the first set in uptown Manhattan a disillusioned graduate student who s just a little too familiar with the neighborhood drug dealer and a lonely woman appears doomed to a disastrous end In the second set in Crown Heights Brooklyn a soft spoken parolee looking to reassemble the broken pieces of his former life meets a young withered yet surprisingly ebullient cancer patient that eventually puts his one final chance at freedom at risk As you read on the twin tales gather like a storm to an exhilarating ferocity culminating in a violent flood of passions that none of the characters can control and which threatens to drown them all Faulkner fans may think they know what the end holds for these four characters but rest assured the culmination of *THE MORNING SIDE OF THE HILL* exposes an unexpected coincidence that Faulkner may have hinted at but never fully explored

The Morningside Téa Obreht, 2025-03-11 A touching inventive novel about belonging and loss People from the critically beloved New York Times bestselling author of *The Tiger s Wife* and *Inland* I marveled at the subtle beauty and precision of Obreht s prose Read in the context of today s conflicts and injustices climate emergencies and political and racial divisions together more dystopian than any dystopian novel the book surprised me most with its undercurrent of hope Jessamine Chan author of *The School for Good Mothers* in *The New York Times* Editors Choice A LIT HUB AND CHICAGO PUBLIC LIBRARY BEST BOOK OF THE YEAR This Random House Book Club edition includes an author s note a discussion guide and background on the myth that inspired the book There s the world you can see And then there s the one you can t Welcome to the Morningside After being expelled from their ancestral home in a not so distant future Silvia and her mother finally settle at the Morningside a crumbling luxury tower in a place called Island City where Silvia s aunt Ena serves as the superintendent Silvia feels unmoored in her new life because her mother has been so diligently secretive about their family s past and because the once vibrant city where she lives is now half underwater Silvia knows almost nothing about the place where she was born and spent her early years nor does she fully understand why she and her mother had to leave But in Ena there is an opening a person willing to give the young girl glimpses into the folktales of her demolished homeland a place of natural beauty and communal spirit that is lacking in Silvia s lonely and impoverished reality Enchanted by Ena s stories Silvia begins seeing the world with magical possibilities and becomes obsessed with the mysterious older woman who lives in the penthouse of the Morningside Bezi Duras is an enigma to everyone in the building She has her own elevator entrance and leaves only to go out at night and walk her three massive hounds often not returning until the early morning Silvia s mission to unravel the truth about this woman s life and her own

haunted past may end up costing her everything Startling inventive and profoundly moving The Morningside is a novel about the stories we tell and the stories we refuse to tell to make sense of where we came from and who we hope we might become

War II They went to war as boys Will they make it home as men D Day June 6th 1944 The trajectory of the Second World War and with it the course of modern history is changed for ever For three young former schoolmates from South Wales their war is only just beginning James was the school cricket captain Now a few short years later he is in charge of a troop of Sherman tanks Mark just nineteen must lead a platoon of infantrymen into battle And Bill always something of a loner sees the heart of the fighting as a private soldier These young men and thousands of others are part of one of the bloodiest and most brutal episodes of the whole Normandy campaign the battle for Hill 112 The horror the fear the filth the savage fighting the sheer exhilaration and moments of farce and laughter those who come through the carnage will never be the same again A spellbinding evocation of one of the key campaigns of World War II based on real events and the records and reminiscences of those who were there Perfect for fans of Robert Harris and Simon Scarrow Flings us into the terror chaos and bravery alongside these painfully young men The Times Mixes fact with fiction to great effect Superb Saul David Becoming a Heroine Rachel M. Brownstein, 1994 Brownstein examines how the stories we read influence our notions of how we should live In fresh wonderfully nuanced readings of works by Jane Austen Charlotte Brontë George Eliot Henry James and Virginia Woolf she considers woman centered novels as rewritings of romance and analyzes the thematic links and echoes that connect these works not only to each other but to women's lives This splendidly provocative book shows how good novels intelligent heroines and careful readers are skeptical of the romantic ideal of a perfected integral self Publisher's description back cover *Antipodes*, 1992 **What a Man Wishes** William Stanley Hill, 1913 *A Picture and a Criticism of Life* Theodore Dreiser, 2008 Collects letters written by American novelist and journalist Theodore Dreiser in which he expresses his thoughts on writing and publishing and topics related to his work as an author and organizer with notes on the context of the letters The Nation, 1913 **Sketch**, 1902 *The Sketch*, 1895 *Fanny Herself* Edna Ferber, 2019-08-02 Fanny Herself tells the story of Fanny Brandeis a young Jewish woman living in the early 20th century As a girl after the death of her father Fanny watches her single mother run a local business in her small Wisconsin hometown in order to feed Fanny and her brother who has a potential to be violin virtuoso After her mother passes away Fanny moves to Chicago along with her childhood friend Clarence and becomes a successful buyer at a large mail order house Clarence believes Fanny is an artist at heart and wants her to devote herself to art but she is driven by desire and vision to eventually become a complete woman

The Conscript + Waterloo (Historical Novel) Erckmann-Chatrion, 2022-01-04 While other novelists center attention on the heroism and adventures of the Napoleonic era Erckmann and Chatrion describe the ugly side of wars directing our attention to the exhaustion and suffering of simple peaceful people forced to sustain the well being of the army The mood of both stories is reflected in the opening words of Waterloo Everybody was tired of living like a bird on a branch and of risking their lives for matters which did not concern them Yet people's expectations didn't come true The novel Conscript tells about the war in Moscow of 1813 The troops needed reinforcement and it was provided with the conscript campaign of 1813 We

learn about that time from a narrator a watchmaker apprentice who lived a peaceful life before being taken to the army In those times most people celebrated Napoleon s glory and even the thoughts of the possible defeat seemed sinful A few old Republicans would shake their heads and mutter over their wine that the Emperor might yet fall but they passed for fools tells the narrator whose life changes drastically He is to face all the horrors of war and defeat the infamous retreat which is later followed by his surprise of the second campaign which had even more disastrous consequences The topic of the second novel in a bundle The Waterloo is clear from the name itself as it became a synonym of a disastrous defeat on the battlefield Like in Conscript the main motive of the story is the suffering of peaceful people forced to go to war
