**J. S. Lane**

## **The Mountain A Meditation On The Consequences Of An Obsession:**

*The Mountain* J. S. Lane, 2014-10-23 Two and a half miles from Rhayader in Wales is a 1 558 foot hill called Gamallt It can also be thought of as a mountain Using the author s encounter with Gamallt this story written in the form of a meditation explores some of the ways in which philosophical and scientific ideas about perception and reality have led to thought provoking ideas about what can be said to be real It also seeks to loosen the apparent incompatibility of fantasy and the logical preoccupations of philosophers and scientists It uses in part the parallels between to exist is to be perceived and the suggestion often found in writers dealing with quantum mechanics that human consciousness is somehow involved in descriptions of what at least in the sub atomic world occurs when observations are made The assumption that there is an objective world independent of any observers and the possible rejection of such a view might be said to find expression in both philosophy and science The mountain becomes a backdrop for the suggestion that both disciplines for all their justifiable preoccupation with logic can also be embraced by way of imagination

**A Death on Diamond Mountain** Scott Carney, 2015-03-17 An investigative reporter explores an infamous case where an obsessive and unorthodox search for enlightenment went terribly wrong When thirty eight year old Ian Thorson died from dehydration and dysentery on a remote Arizona mountaintop in 2012 The New York Times reported the story under the headline Mysterious Buddhist Retreat in the Desert Ends in a Grisly Death Scott Carney a journalist and anthropologist who lived in India for six years was struck by how Thorson s death echoed other incidents that reflected the little talked about connection between intensive meditation and mental instability Using these tragedies as a springboard Carney explores how those who go to extremes to achieve divine revelations and undertake it in illusory ways can tangle with madness He also delves into the unorthodox interpretation of Tibetan Buddhism that attracted Thorson and the bizarre teachings of its chief evangelists Thorson s wife Lama Christie McNally and her previous husband Geshe Michael Roach the supreme spiritual leader of Diamond Mountain University where Thorson died Carney unravels how the cultlike practices of McNally and Roach and the questionable circumstances surrounding Thorson s death illuminate a uniquely American tendency to mix and match eastern religious traditions like LEGO pieces in a quest to reach an enlightened perfected state no matter the cost Aided by Thorson s private papers along with cutting edge neurological research that reveals the profound impact of intensive meditation on the brain and stories of miracles and black magic sexualized rituals and tantric rites from former Diamond Mountain acolytes *A Death on Diamond Mountain* is a gripping work of investigative journalism that reveals how the path to enlightenment can be riddled with danger

*Where the Mountain Casts Its Shadow* Maria Coffey, 2005-04 Maria Coffey s *Where the Mountain Casts Its Shadow* is a powerful affecting and important book that exposes the far reaching personal costs of extreme adventure Without risk say mountaineers there would be none of the self knowledge that comes from pushing life to its extremes For them perhaps it is worth the cost But when tragedy strikes what happens to the people left behind Why would anyone choose

to invest in a future with a high altitude risk taker What is life like in the shadow of the mountain Such questions have long been taboo in the world of mountaineering Now the spouses parents and children of internationally renowned climbers finally break their silence speaking out about the dark side of adventure Maria Coffey confronted one of the harshest realities of mountaineering when her partner Joe Tasker disappeared on the Northeast Ridge of Everest in 1982 In *Where the Mountain Casts Its Shadow* Coffey offers an intimate portrait of adventure and the conflicting beauty passion and devastation of this alluring obsession Through interviews with the world s top climbers or their widows and families Jim Wickwire Conrad Anker Lynn Hill Joe Simpson Chris Bonington Ed Viesturs Anatoli Boukreev Alex Lowe and many others she explores what compels men and women to give their lives to the high mountains She asks why despite the countless tragedies the world continues to laud their exploits With an insider s understanding Coffey reveals the consequences of loving people who pursue such risk the exhilarating highs and inevitable lows the stress of long separations the constant threat of bereavement and the lives shattered in the wake of climbing accidents     *Abstracts* ,1977     **On the Trail to Wittgenstein's Hut** Ivar

Oxaal,2011-12-31 One of the most influential philosophers of the twentieth century Ludwig Wittgenstein and the roots of his monumental *Tractatus* are explored in this imaginative work Oxaal picks up on themes developed in an earlier work of his on *Jews Anti Semitism and Culture in Vienna* adding to it special issues concerning Wittgenstein s experiences in Norway in 1913-14 where he worked on ideas that were completed during the war Oxaal situates the great philosopher in time place and attitude showing how his personal background came to bear on the writing of the *Tractatus* Wittgenstein has often been criticized for traces of solipsism and even mysticism and Oxaal also examines these issues in a volume that integrates ethnography nationality and cultural studies Oxaal sheds new light on the theme of Wittgenstein s Jewishness and develops a new appreciation of the Wittgenstein family and Wittgenstein s better known years in Vienna The author is unsparing in his observations about racism and pessimism in Berlin and Great Britain during the period in which Wittgenstein worked and studied at Cambridge The writing of the *Tractatus* spanned the First World War In the period immediately after its completion Wittgenstein found himself in The Hague where he was in discussions and disputes with Bertrand Russell Oxaal covers these problems sensitively and with an appreciation of ambiguities in the life of a great philosopher and the confusions caused by a post war change in fortunes personal and familial This work of an eminent social scientist and historian may not be the final statement on Wittgenstein but it most certainly must be considered in any serious assessments of an iconic figure of the twentieth century     *Celebration* ,     [Gothic Appalachian Literature](#) Sarah Robertson,2024-10-01

*Gothic Appalachian Literature* examines the ways contemporary Appalachian authors utilize gothic tropes to explore the complex history and contemporary problems of the region particularly in terms of their representation of economic and environmental concerns It argues that across Appalachian fiction the plight of characters to save their homes land and way of life from the destructive forces of extractive industries brings sharply to bare the histories of colonization and slavery that

problematize questions of belonging ownership and possession Robertson extensively considers contemporary manifestations of the gothic in Appalachian literature arguing that gothic tropes abound in fiction that focuses on the impacts of extractive industries that connect this micro region with other parts of the Global North and Global South where the devastating impacts of extractive industries are also experienced socially economically and environmentally

**1999 American Alpine Journal** , Published annually since 1929 The American Alpine Journal is internationally acknowledged as the world s finest journal of its kind The latest volume of climbing s journal of record offers the most complete picture available of the world of climbing for 1998 From articles that present the climbing possibilities of Antarctica and Africa to stories on the new bigwall frontiers of Mexico and Madagascar to the alpine sagas on Bhagarathi III and Khan Tengri and the emergence of the former Soviet climbers on the world stage the 1999 AAJ continues its tradition as mountaineering s institutional memory

**Bullies in Power** Sergeant (Ret'd) Paul M. Lagace CD, BA,2005-07-22 Bullies in Power is written from the heart with a down to earth style intended to move the reader along a path of life as experienced by a family dealing with the challenges of poverty and racially motivated abusive authorities This book conveys a powerful message that love hope and determination provide the tools necessary to overcome lifes challenges Not what I expected at all When I began reading the manuscript I found it mesmerizing and had to read it all before putting it down Ken Salter BSW RSW Bullies in Power captivated me emotionally and spiritually I couldnt help but admire the love and courage shared by this family Bernie Rothenburger editor There are many ways to tell a story but Bullies in Power reflects honesty at its most primitive level There is no mistaking what the writer means The facts are beyond contesting and so clearly presented that the reader feels the emotional content of the events described Its as though the reader is living the experience

*The Game Master's Book of Legendary Locations* Jeff Ashworth,Tim Baker,2025-06-17 When your players are traveling through the wilderness from Point A to Point B here s the key to making that journey as intriguing and exciting as possible As every GM knows you can spend hours preparing an adventure but rarely is any map filled in so completely that you can easily define what lies waiting in the wilds between where they are today and where they d like to be tomorrow That s where The Game Master s Book of Legendary Locations comes in Legendary Locations provides Game Masters with more than 150 fascinating sites obstacles legends and landscapes spread across eight environmental zones designed to make every journey an unforgettable one From poisonous swamps and bottomless wells to dragon skull temples and abandoned mines each location includes a brief history exotic lore potential dangers to fight and treasures to be won along with illustrations throughout Larger entries include special Game Master notes and random encounter tables to ensure each incredible locale is as compelling as possible Each environmental zone also includes a completely fleshed out lair including monster stat blocks a map and full page illustration In addition Legendary Locations also includes dozens of roll tables for determining random encounters eerie occurrences natural hazards and more to ensure players are always experiencing something unique and unexpected It s a wellspring of

inspiration and a fathomless resource for keeping players on their toes and ensuring that the journey is just as exciting as the destination      **Read Like a Queen** Stella Boheme,2025-09-28 Stella Boheme a k a the Queen of Glam Tarot is here to help you glow up your Tarot practice with practical exercises relatable card meanings somatic life coaching and a dash of glitter all with a little help from her friends Read Like a Queen explores activities that deepen your Tarot understanding and strengthen your intuition helping you read like the Queen you ARE Start with a saunter through the meanings of the Major Arcana exploring traditional meanings such as keywords archetypes and planetary correspondences and fun ones like popular characters and songs Discover journal prompts and guided meditations to help you explore the Tarot through active practices The cabaret continues on into the meanings of the Minor Arcana then shimmies into spreads including Stella s own Cocktail Party Spread Stella s approachable hands on style makes this book a great choice for newer readers but even seasoned Tarotistas will find that Read Like a Queen dazzles with fresh insight and perspectives      **Towards a Philosophy of Narco Violence in Mexico** Amalendu Misra,2017-11-24 This book explores the politics of narco killing and public attitudes to violence and death in the Mexican Drug War It examines questions such as the culture of human sacrifice the religious principles that sanction egregious violence and most importantly the society s complex response strategies towards such violence Primarily a philosophical reflection this study nonetheless uses anthropological architectural and sociological methods to provide an interdisciplinary explanation to the visceral commonplace violence taking place in contemporary Mexico      **Beginner's Guide to Mediumship** Larry Dreller,2025-09-12 For centuries people have been fascinated by the power and secrets of mediums And today many are interested in making contact with the spirit world themselves either to communicate with loved ones heal the sick or discover knowledge but don t know how Yet as Larry Dreller writes At birth we all are given the gift of seeing beyond this humble Earth plane into other dimensions but as we grow older we cast this natural ability aside Mediums did not lose this ability and are people who act as intermediaries between this world and the other side Both an introduction to this phenomenon as well as a workbook that guides the reader through exercises to reawaken their abilities the Beginner s Guide to Mediumship shows how to develop spiritual powers conduct seances harness the power of prophecy comfort and heal others see auras and more Drawing on his own experience Dreller focuses on pure and practical day to day applications of mediumship and how they can enrich readers lives      **Asian Religions** Randall L. Nadeau,2014-01-13 ASIAN RELIGIONS A unique introduction to Asian religions combining the scholarly rigor of an established historian of Asian religions with the willingness to engage empathetically with the traditions and to suggest that readers do the same Joseph A Adler Kenyon College Randall L Nadeau has accomplished what only a few have tried but which has been much needed in the study of religions He has written a genuinely novel approach to the religions of Asia This is a work that should find its way into Asian humanities history religion and civilization courses Ronnie Littlejohn Belmont University This all embracing introduction to Asian religious practices and beliefs takes a unique approach not only does it

provide a complete overview of the basic tenets of the major Asian religions but it also demonstrates how Asian spiritualities are lived and practiced exploring the meaning and significance they hold for believers In a series of engaging and lively chapters the book explores the beliefs and practices of Confucianism Taoism Hinduism Buddhism and Japanese religions including Shint Using a comparative approach it highlights the contrasts between Asian and Western modes of thinking and living and debates the influence of religion on real world issues including work economic growth the environment human rights and gender relations Nadeau a leading figure in this field takes an empathetic approach to Asian religious and cultural traditions and considers Asian spiritualities to be viable systems of belief for today s global citizens Integrating exercises activities and an appealing mixture of examples such as novels and biographies this refreshing book leads readers to an enhanced understanding of the ideas and practice of Asian religions and of their continuing relevance today

Worse Angels Laird Barron, 2020-05-26 Ex mob enforcer turned private investigator Isaiah Coleridge pits himself against a rich and powerful foe when he digs into a possible murder and a sketchy real estate deal worth billions Ex majordomo and bodyguard to an industrial tycoon cum U S senator Badja Adeyemi is in hiding and shortly on his way to either a jail cell or a grave depending on who finds him first In his final days as a free man he hires Isaiah Coleridge to tie up a loose end the suspicious death of his nephew four years earlier At the time police declared it an accident and Adeyemi isn t sure it wasn t but one final look may bring his sister peace So it is that Coleridge and his investigative partner Lionel Robard find themselves in the upper reaches of New York State in a tiny town that is home to outsized secrets and an unnerving cabal of locals who are protecting them At the epicenter of it all is the site of a stalled supercollider project an immense subterranean construction that may have an even deeper more insidious purpose

A Meditation Juan Benet, 1982 *Confessions of an Illuminati, VOLUME I (2nd edition)* Leo Lyon Zagami, 2019-04-26 SYMBOLS ARE THE LANGUAGE OF THE ILLUMINATI Released in English for the first time by secret society insider and author Leo Lyon Zagami this ground breaking book presents internal documents confidential rituals secret fraternal rites and a unique perspective on global events that expose a web of deceit and total world control His newly released 2nd edition book contends that the presence of numerous Illuminati brotherhoods and secret societies just like the prestigious Yale University s Skull and Bones have always been guides to the occult From the Ordo Templi Orientis O T O infiltration of Freemasonry to the real Priory of Sion this book exposes the hidden structure of the New World Order and the occult practices of the various groups involved within it including their connections to Aleister Crowley malevolent ETs the intelligence community and the infamous Ur Lodges If the truth is stranger than fiction then the true secret structure of the Illuminati and their invisible network made from various power groups presents a far different perspective than what the public is offered in the media or by their elected officials The first step in defeating the Illuminati and their satanic New World Order is to understand their modus operandi Because once you know their method of operation including how to interpret their symbols and understand what is not being told to you it is then possible to

comprehend their control grid and gain the power to oppose it After all knowledge is power      **Working Together** Anita Mountain,Chris Davidson,2011 Anita Mountain and Chris Davidson explore the dynamics of organizations and their performance through the lens of Transactional Analysis to enable effective communication at all levels of the organization TA is particularly accessible and effective because every tool can be illustrated with diagrams and the text uses this principle to provide a balance between theory and practical application This is a book that offers a comprehensive look at the whole range of aspects that enhance and support relationships within the context of organizations      *Confessions of an Illuminati, Volume I* Leo Lyon Zagami,2019-06-01 Leo Lyon Zagami uses the internal documents of the Illuminati to reveal confidential and top secret events His book contends that the presence of numerous Illuminati brotherhoods and secret societies just as those inside the most prestigious U S universities such as Yale or Harvard have always been guides to the occult From the Ordo Templi Orientis OTO s infiltration of Freemasonry to the real Priory of Sion this book exposes not only the hidden structure of the New World Order and the occult practices but also their connections to the intelligence community and the infamous Ur Lodges      **My Toughest Mentor** Robert Kusch,1999 At a time when Theodore Roethke was finding his poetic voice he called William Carlos Williams my toughest mentor This study examines the discussion about poetry that lives in their correspondence and the poems they sent to each other between 1940 48 From special collections at Yale University and the University of Washington Robert Kusch has arranged the letters in sequence and he approaches them both as cultural critic and reader respondent Overall he argues that Williams issued a series of challenges to Roethke and these challenges changed the direction and scope of Roethke s art The book has pointed unconventional advice for teachers of creative writing and for those who are learning the art
