

A large, dark silhouette of a cross stands prominently on the right side of the image. To its left, a person is silhouetted, standing with their back to the camera, looking towards the cross. The background is a gradient of warm colors, from a deep orange near the horizon to a darker blue at the top, suggesting a sunset or sunrise. The overall mood is contemplative and somber.

The Mystery of the Cross and the Narrow Gate Revealed: What the Bible Really Says Michael J Roberts, 2017-09-06 The Mystery of the Cross and the Narrow Gate Revealed is a search to reconcile apparent contradictions in the Bible especially those passages pertaining to salvation Beginning with the premise of the infallibility of the Bible it argues that both the Reformers understanding of the atonement and their doctrine of salvation are invalid since they are contradicted by numerous scriptures In the end the result of this search is a new understanding of both the atonement and salvation and the development of doctrines on these subjects which will enable us to read canonically without seeing contradictions Through faith and reason a sound hermeneutic and careful exegesis The Mystery of the Cross and the Narrow Gate uncovers the internal coherence of scripture with the principal objective of restoring truth and bringing reform to a church that fails to grasp that the Holy Spirit is given to humankind to enable us to become holy and be made fit for the kingdom in heaven refer www.themysteryofthecross.com Mystery of the Cross Basil Hume, 2004-09 A profound collection of meditations and reflections on the cross They speak of the mystery of suffering and the mystery of God s love shown particularly in the death and resurrection of Christ Drawing on the liturgy of the Church especially the Easter liturgy Cardinal Hume reminds us that Christ shared our pain and that our suffering brings us closer to Christ and closer to God
