The Mythology Class A Graphic Novel:

The Mythology Class Arnold Arre, 2014 **Journey to Lupan-On** Arnold Arre, 2023-08-01 The third installment in the best selling series that kicked off with *The Mythology Class* which Publishers Weekly called a must read and a genre defining classic of Filipino comics. It's open season on the *Mythology Class* as an army of the undead hunts them down. The next chapter in the *Mythology Class* saga, this pulse pounding epic plays out in the porous border between worlds. The *Mythology Class* has been placed in desperate situations before but a new influx of evil must be driven back. Will the former classmates return to their former glory and summon the strength that once united their team? The *Mythology Class* friends thought they were safe from the Dark Anitos but now the evil Budniaan has arrived in their world with his army of zombie warriors and demented engkantos demons and their lives are once again at stake. With Rey and Misha on the other side of the globe and the group at odds over what to do, the one course they can all agree on is the inevitable one: reunite and combine their strengths to thwart Budniaan's threat. Revisiting a scene of their past triumphs, the group uncovers an ancient artifact. Will it lead them to the safety of the Skyworld, the spirit realm? Will this group of intrepid adventurers be able to summon the spirit of resistance that once defined them? As the most powerfully evil force they've ever faced reaches their borders, they're not really given a choice. This book can stand on its own though it is part of an ongoing series. A recap at the beginning helps refresh the memories of readers and for those new to the series provides the background of the story. Praise for the *Mythology Class* series by Arnold Arre. In this genre defining classic of Filipino comics from Arre Halina Filipina released in 1999 to become the first graphic novel to win the Philippine National Book Award and now in its first U.S. edition, this exciting and satisfying adventure firmly rooted in Filipino culture is a must read for its influence. Publishers Weekly. A modern Filipino literary classic. Leinil Francis Yu, *Marvel Avengers* Artist. This is one of those books that helped shape a nation's graphic novels and should be read with that in mind. *hellip* *The Mythology Class*, a compilation of four shorter books that form a complete story, is a quirky work about the past, present and future all blending together as a group of wizards and heroes travel forward through time to combat a series of problems in each age they visit. While readable by teens, this one may attract adult readers more and at least the bulk of the characters are probably in their 20s. ICv2.com **Mythology Class** Arnold Arre, 2022-08-09. through Popular Culture Edward Janak, Ludovic A. Sourdout, 2017-03-01 This edited volume serves as a place for teachers and scholars to begin seeking ways in which popular culture has been effectively tapped for research and teaching purposes around the country. The contents of the book came together in a way that allowed for a detailed examination of teaching with popular culture on many levels. The first part allows teachers in PreK-12 schools the opportunity to share their successful practices. The second part affords the same opportunity to teachers in community colleges and university settings. The third part shows the impact of US popular culture in classrooms around the world. The fourth part closes the loop to some extent showing how universities can prepare teachers to use popular culture with their future PreK-12 students. The final part of the book allows researchers to discuss the impact popular culture plays in their work. It also seeks to address a shortcoming in the field while there are outlets to publish studies of popular culture and outlets to publish pedagogical practitioner pieces, there is no outlet to publish practitioner pieces on studying popular culture in spite of the increased popularity and legitimacy of the field.
