The Others The Stell Bronntana Series Book 1:

The Others Rebbby Cooper, 2014-11-01 There are two kinds of people in the world Those who wish to see the truth and those who find it The Others are an independent group of Metavica or Children of Magic that use fear as tool to get what they desire Most of the time these tactics are used on the ones with both money and power So why has Stell Bronntana a young woman who possesses neither been pulled into the conflict Now Stell strives to find out the answer to a simple question Why did one of The Others try to murder her father The truth as she may soon find out is something far more chilling than rumor
