Devlin *The Revolution Will Be Improvised* Elizabeth Rodriguez Fielder, 2024-10-22 *The Revolution Will Be Improvised* The Intimacy of Cultural Activism traces intimate encounters between activists and local people of the civil rights movement through an archive of Black and Brown avant gardism In the 1960s Student Nonviolent Coordinating Committee SNCC activists engaged with people of color working in poor communities to experiment with creative approaches to liberation through theater media storytelling and craft making With a dearth of resources and an abundance of urgency SNCC activists improvised new methods of engaging with communities that created possibilities for unexpected encounters through programs such as The Free Southern Theater El Teatro Campesino and the Poor People s Corporation Reading the output of these programs Elizabeth Rodriguez Fielder argues that intimacy making became an extension of participatory democracy In doing so Rodriguez Fielder supplants the success failure binary for understanding social movements focusing instead on how care work aligns with creative production *The Revolution Will Be Improvised* returns to improvisation s roots in economic and social necessity and locates it as a core tenet of the aesthetics of obligation where a commitment to others drives the production and result of creative work Thus this book puts forward a methodology to explore the improvised often ephemeral works of art activism [Welcome to Oxnard](#) Cristina Herrera, 2024-07-15 Michele Serros 1966 2015 is widely known for her groundbreaking book *Chicana Falsa* and *Other Stories of Death Identity and Oxnard* Despite her status as a major figure in Chicana literature no scholar has written a book length examination of her body of poetry fiction and nonfiction until now Cristina Herrera also from Oxnard weaves in history autoethnography and literary analysis to explore Chicana adolescence and young womanhood with a focus on place making Factoring in location region and landscape Herrera asks what it means to grow up Chicana in settings that carry centuries of colonial violence segregation and everyday racism against Mexican American communities She contends that Serros used her hometown to broaden understandings of who and what constitutes Chicana communities and identities By reading Serros s work in tandem with her lived experience in the same setting Herrera uncovers moments of adolescent subjectivity that could only be vocalized and constructed within this particular locale Herrera pushes against the tendency to separate the author from the text and argues for a spatial understanding of Chicana adolescence race class and young womanhood **Entre Guadalupe y Malinche** Inés Hernández-Ávila, Norma E. Cantú, 2016-02-23 Mexican and Mexican American women have written about Texas and their lives in the state since colonial times Edited by fellow Tejanas In s Hern ndez vila and Norma Elia Cant *Entre Guadalupe y Malinche* gathers for the first time a representative body of work about the lives and experiences of women who identify as Tejanas in both the literary and visual arts The writings of more than fifty authors and the artwork of eight artists manifest the nuanced complexity of what it means to be Tejana and how this identity offers alternative perspectives to contemporary notions of Chicana identity community and culture Considering Texas Mexican women and their identity formations subjectivities and location on the longest border between Mexico and any of the southwestern states acknowledges the profound influence that land and

history have on a people and a community and how Tejana creative traditions have been shaped by historical geographical cultural linguistic social and political forces This representation of Tejana arts and letters brings together the work of rising stars along with well known figures such as writers Gloria Anzaldúa Emma Pérez Alicia Gaspar de Alba Carmen Tafolla and Pat Mora and artists such as Carmen Lomas Garza Kathy Vargas Santa Barraza and more The collection attests to the rooted presence of the original indigenous peoples of the land now known as Tejas as well as a strong Chicana Mexicana feminism that has its precursors in Tejana history itself

Troubling Traditions Lindsey Mantoan, Matthew Moore, Angela Schiller, 2021-11-29 Troubling Traditions takes up a 21st century field specific conversation between scholars educators and artists from varying generational geographical and identity positions that speak to the wide array of debates around dramatic canons Unlike Literature and other fields in the humanities Theatre and Performance Studies has not yet fully grappled with the problems of its canon Troubling Traditions stages that conversation in relation to the canon in the United States It investigates the possibilities for multiplying canons methodologies for challenging canon formation and the role of adaptation and practice in rethinking the field's relation to established texts The conversations put forward by this book on the canon interrogate the field's fundamental values and ask how to expand the voices forms and bodies that constitute this discipline This is a vital text for anyone considering the role construction and impact of canons in the US and beyond

Our Work Is Everywhere Syan Rose, 2021-04-06 Over the past ten years we have witnessed the rise of queer and trans communities that have defied and challenged those who have historically opposed them Through bold symbolic imagery and surrealist overlapping landscapes queer illustrator and curator Syan Rose shines a light on the faces and voices of these diverse amorphous messy real and imagined queer and trans communities In their own words queer and trans organizers artists healers comrades and leaders speak honestly and authentically about their own experiences with power love pain and magic to create a textured and nuanced portrait of queer and trans realities in America The many themes include Black femme mental health Pacific Islander authorship fat queer performance art disability and healthcare practice sex worker activism and much more Accompanying the narratives are Rose's startling and sinuous images that brings these leaders words to visual life Our Work Is Everywhere is a graphic nonfiction book that underscores the brilliance and passion of queer and trans resistance Includes a foreword by Lambda Literary Award winning author and activist Leah Lakshmi Piepzna-Samarasinha author of Care Work Dreaming Disability Justice

Theatre and Cartographies of Power Analola Santana, Jimmy A. Noriega, 2018-02-13 From the colonial period to independence and into the twenty first century Latin American culture has been mapped as a subordinate other to Europe and the United States This collection reconsiders geographical space and power and the ways in which theatrical and performance histories have been constructed throughout the Americas Essays bridge political racial gender class and national divides that have traditionally restricted and distorted our understanding of Latin American theatre and performance Contributors scholars and artists from throughout the Americas including well known playwrights directors and performers imagine how to reposition the Latina o Americas in ways that offer agency to its multiple peoples cultures and

histories In addition they explore the ways artists can create new maps and methods for their creative visions Building on hemispheric and transnational models this book demonstrates the capacity of theatre studies to challenge the up down North South approach that dominates scholarship in the United States and presents a strong case for a repositioning of the Latina o Americas in theatrical histories and practices **Shakespeare and Latinidad** Trevor Boffone, Carla Della Gatta, 2021-06-30 Shakespeare and Latinidad is a collection of scholarly and practitioner essays in the field of Latinx theatre that specifically focuses on Latinx productions and appropriations of Shakespeare s plays
