Pentecostal and Holiness Statements on War and Peace Jay Beaman,Brian K. Pipkin,2013-08-30 Many Pentecostal groups have forgotten their legacy of war resistance and doctrinal history opposing killing To rectify this loss we have catalogued Holiness and Pentecostal denominational statements on war and peace Numerous Holiness groups and virtually all early Pentecostal groups had some form of pacifist statement against war This antiwar collection gives us an almost uniform picture of the early Pentecostal movement as largely pacifist in orientation The commonality of these statements across both Holiness and Pentecostal movements is evidence they are a continuous group and not two separate movements While their early doctrines opposed killing many named in this book are now widely considered to be stalwarts of the Religious Right or at least staunch supporters of Christian participation in war Our hope is that this book will frame the official position of early Pentecostals on war and peace and encourage Pentecostals today to reflect on their antiwar heritage
