A. Lipsett, 2013-10-17 Written by Johns Hopkins University School of Medicine faculty and surgical residents the second
edition of The Johns Hopkins ABSITE Review Manual delivers comprehensive coverage of the American Board of Surgery In
Training Examination through two full length practice tests Both tests are based on actual key words from recent ABSITEs
and are accompanied by test review sections which go over every practice test question and answer providing rationales
behind surgical decision making ABSITE style question format familiarizes readers with the test s presentation and content
This edition features twice the number of questions as in the previous edition offering even more opportunities for self paced
review Rationales for correct and incorrect responses help to identify the test taker s strengths and weaknesses This book is
ideal not only for those preparing for the ABSITE but also for surgeons and residents studying for the general surgery
qualifying exam and for all surgical residents seeking to review key topics during rotations *Sanford Guide to*
