The Icarus Hunt Timothy Zahn, 2012-05-23 From Timothy Zahn Hugo Award winner and New York Times bestselling author of two landmark Star Wars series comes an original new tale featuring a renegade space pilot his unusual alien partner and an unknown cargo that can change the course of galactic history Jordan McKell has a problem with authority Unfortunately for him the iron-fisted authority of the powerful Patthaaunutth controls virtually every aspect of galactic shipping In order to survive Jordan ekes out a living dabbling in interstellar smuggling for outlaw concerns that represent the last vestiges of free trade in the galaxy So when Jordan and his partner Ixil an alien with two ferret-like outhunters linked to his neural system are hired by a mysterious gentleman to fly a ship and its special cargo to Earth they jump at the job Caution has never been one of Jordan's strong suits But this time he may have taken on more than even he can handle The ship Icarus turns out to be a ramshackle hulk the ragtag crew literally picked up off the street and the cargo so secret it's sealed in a special container that takes up most of the cramped and ill-designed ship As if that weren't bad enough it looks like the authorities already suspect something is afoot there's a saboteur aboard and the Icarus appears to be shaking apart at the seams It doesn't seem as if things could get any worse That is until a beautiful crew member helps McKell uncover the true nature of the cargo he's carrying With his enemies closing in on the lumbering Icarus the unknown saboteur still aboard and authorities on Earth pressured to turn them in McKell and Ixil become fugitives Their only chance is to stay one step ahead of their pursuers as they try to make it home A bold and epic novel filled with unrelenting action and a good dose of humor The Icarus Hunt is a wild hyperspace romp through the galaxy

Key Connections M. A. Erickson, 2023-12-06 Exploring the changes between the Old and New Testament provides an open window to the wide ranging vision of God's work in the human race It is actually a remarkable vision which stretches from the beginning of the universe to the end of time as we know it But many aspects of the Old Testament are difficult to understand today The ancient origins of the Old Testament OT explains part of the difficulty The OT was written thousands of years ago in cultures and time periods very different from our own These vast differences in culture make many practices in the OT seem unusual today Understanding and making sense of the changes between the OT and NT is one of the key purposes of this book Many changes become more understandable when you compare God's instructions for a nation OT with God's instructions for freely gathered communities of faith who follow Jesus as Messiah NT These changes will be highlighted in the chapters of this volume along with other key principles for understanding differences between the Old and New Testament God's greater purposes will be in view along with current insights and concepts

How the Force Can Fix the World Stephen Kent, 2021-11-09 From widespread unemployment and mounting international hostilities every day we are swept into more political chaos so one brave man looks to the Star Wars universe for answers to our most urgent problems You can't stop the change anymore than you can stop the sun from setting Anakin Skywalker was never able to live with this wisdom shared by his mother on the day he left home to train as a Jedi Knight That failure led him to becoming the fearsome villain we all know as Darth Vader We're living in a time of unprecedented and rapid change An age of chaos Democracies are in decline worldwide Dictators are ascendant Civic organizations are crumbling People feel lonelier and more rudderless than in any other time in recent history We've tried to slow down and in some cases we like Anakin have tried stop the change but failed at every turn The fears that come with living in an age of disruption have produced public anger and that anger has swelled movements of hate Author Stephen Kent believes part of the solution is hiding in plain sight A story that binds together multiple generations with a common language a moral framework and a sense of wonder It's Star Wars What if we looked to Star Wars for more than just entertainment How the Force Can Fix the World takes this challenge on by analyzing the core principles of the Star Wars franchise HOPE CHOICE HUMILITY EMPATHY REDEMPTION BALANCE and rejecting FEAR Together these are the Star Wars roadmap for living better lives and maybe even fostering a better politics The path that we're on where fear leads to anger and anger to hatred will only end in suffering But Star Wars shows us the way back from the brink Shared stories of virtue that are beloved across cultures and political divides are hard to come by but Star Wars is one such story Turn on the news things are pretty broken right now but the Force can fix the world

Nuclear Choices Richard Wolfson, 1993 background needed to make informed choices about nuclear technologies introducing concepts that can be used for evaluating the claims of both proponents and opponents

Creating Great Choices Jennifer Riel, Roger L.

Martin,2017-08-29 The rarest of business books that teaches decision makers how to think not what to think Malcolm Gladwell When it comes to our hardest choices it can seem as though making trade offs is inevitable But what about those crucial times when accepting the obvious trade off just isn t good enough What do we do when the choices in front of us don t get us what we need Rather than choosing the least worst option Creating Great Choices offers a model that guides you towards a new and superior answer integrative thinking First introduced by world renowned strategic thinker Roger Martin in The Opposable Mind integrative thinking is an approach to problem solving that uses opposing ideas as the basis for innovation Now in Creating Great Choices Martin and his longtime thinking partner Jennifer Riel vividly illustrate how integrative thinking works and how to do it The book includes fresh stories of successful integrative thinkers that will demystify the process of creative problem solving as well as practical tools and exercises to help readers engage with the ideas And it lays out the authors four step methodology for creating great choices which can be applied in virtually any context The result is a replicable thoughtful approach to finding a third and better way to make important choices in the face of unacceptable trade offs Insightful and instructive Creating Great Choices blends storytelling theory and hands on advice to help any leader or manager facing a tough choice Star Wars: Heir to the Empire Timothy Zahn,2020-08-27 1 NEW YORK
