**High Templar** – These are also support units like the Sentry. However, while all of Sentries special abilities are for defensive purposes, High Templar's special abilities deal mass damages.

**Dark Templar** – DT are like Zealots except they are permeably clocked (invisible). They are relatively vulnerable compare to other units of its rank, but DT can deal a massive 45 damage to anything he get his hands on. The best ways to use DT are early rushes when your opponent is not prepared for clocked units.
