Jason Statham Len Brown, 2011-02-17 Hollywood s favourite action hero After an exhilarating ten years Jason Statham has finally confirmed his place in the Hollywood elite And starring alongside his childhood heroes Stallone Schwarzenegger Willis and Jet Li it is hard to imagine him anywhere else Born in south London Jason Statham has always been an action man As a boy Jason chose not to follow in the footsteps of his parents and instead cultivated his thirst for adrenaline in athletics and diving a skill that took him to the World Championships in 1992 But it was on the athletics track that he was first discovered by a modelling scout for Tommy Hilfiger and French Connection which eventually led Jason to the then fledgling director Guy Ritchie A string of Hollywood blockbusters Lock Stock Revolver Snatch followed But perhaps his best known role came in 2002 when Jason was cast as Frank Martin in The Transporter Statham s background in martial arts defies the norm of the action hero as he performs his own scenes and stunts in some of Hollywood s most death defying action scenes A huge box office hit The Transporter spawned two sequels and has earned the reputation of a cult classic Len Brown s biography is an insightful comprehensive and gripping account of Britain s all action hero

The Classic British Telefantasy Guide Paul Cornell, Martin Day, Keith Topping, 2015-07-30 The Classic British Telefantasy Guide is derived from the second edition of The Guinness Book of Classic British TV with various corrections and a revised introduction to bring it up to date It was written when the Internet barely existed and at a time when few books had been published on the subject This is however by no means a new or completely revised version of the original material too much time has passed and if we were to start reworking and correcting the text now it would probably never be finished Instead Classic British Telefantasy is an electronic reprint of some of the authors earliest work repacked for a new format and perhaps a new age

More Than Just War Charles A. Jones, 2013 This book raises questions about the just war tradition through a critical examination of its revival and by juxtaposing it with a literary phenomenology of war Recent public debate about war has leaned heavily on a just war tradition dating back many centuries This book examines the recent revival of that tradition in the United States and Britain arguing that it is less coherent and comprehensive as an approach to the ethical issues arising from war than is generally supposed and that it is inconsistent in important ways with the theology on which it was originally based A second line of criticism is mounted through close readings of modern texts in English from Britain Australia and the USA that together constitute a more subjective bottom up understanding of the moral dilemmas of military life In this second tradition the task of representing war is seen as more problematic and its rationality more questionable than in just war discourse Works by William Shakespeare Sir Walter Scott James Fennimore Cooper Stephen Crane John Buchan Robert Louis Stevenson Joseph Conrad Tim O Brien and Kurt Vonnegut are featured The book will be of

Horror Movie Freak Don Sumner,2010-07-14 You ll scream with delight while reading this fun and engaging book that discusses fright flicks all horror fans need to see to ascend to the level of a true Horror Freak from classics Dracula and Psycho to modern movies Drag Me to Hell and lesser known gems Dog Soldiers Movies are divided into various categories including Asian horror beginners homicidal slashers supernatural thrillers and zombie invasion Features more than 130 movies 250 photos of movie stills and posters and a chapter on remakes and reimaginings The book also includes the DVD of George A Romero s original 1968 version of Night of the Living Dead Rewriting History Dennis Harding,2020 Every

generation re writes history in its own way Re writing History applies Collingwood s dictum to a series of topics and themes some of which have been central to prehistoric and protohistoric archaeology for the past century or more while some have been triggered by more recent changes in technology or social attitudes Some issues are highly controversial like the proposals for the Stonehenge World Heritage sites Others challenge long held popular myths like the deconstruction of the Celts and by extension the Picts Yet some traditional tenets of scholarship have gone unchallenged for too long like the classical definition of civilization itself But why should it matter Surely it is in the order of things that each generation rejects received wisdom and adopts ideas that are radical or might offend previous generations Is this not simply symptomatic of healthy and vibrant debate Or are there grounds for believing that current changes are of a more disquieting character denying the basic assumptions of rational argument and freedom of enquiry and expression that have been the foundation of western scholarship since the eighteenth century Enlightenment Re writing History addresses contemporary concerns about information and its interpretation including issues of misinformation and airbrushing of politically incorrect history Its subject matter is the archaeology of prehistoric and early historic Britain and the changes witnessed over two centuries and more in the interpretation of the archaeological heritage by changes in the prevailing political and social as well as intellectual climate Far from being topics of concern only to academics in ivory towers the way in which seemingly innocuous issues such as cultural diffusion or social reconstruction in the remote past are studied and presented reflects important shifts in contemporary thinking that challenge long accepted conventions of free speech and debate

History vs Hollywood M J Trow,2024-05-30 Film studios have been making historical movies now for over a century In that time thousands of films have been made covering not just centuries but millennia Did Neanderthal woman really look like Raquel Welch in her bearskin bikini Did 6 000 rebellious slaves claim that they were Spartacus Did Berengaria complain to her husband Richard the Lionheart War war that s all you think about Dick Plantagenet Was El Cid strapped to his horse s saddle to lead his army after he was dead These aren t questions of history they are questions of Hollywood Charlton Heston was a foot too tall for General Charles Gordon John Wayne was a tad too American for Genghis Khan Eric von Stroheim s bald head was an odd choice for the perfectly hirsute Erwin Rommel And Warren Beatty and Fay Dunaway were far too gorgeous for bank robbers Bonnie and Clyde Hollywood never gets it right History and its characters are endlessly complicated and producers directors and screenwriters have a simple story to tell They have a maximum of two hours to explain what happened over weeks or months or years and many of it give it their best shot Yet for all Hollywood s shortcomings in recreating the past it has managed to evoke eras and people long dead in a magical way that has kept millions of us enthralled for generations

Horror Films by Subgenre Chris Vander Kaay,Kathleen Fernandez-Vander Kaay,2016-02-09 More horror movies are produced and released each year than any other film genre While horror enjoys broad popularity many hardcore fans voraciously consume films from their favorite subgenres while avoiding others entirely This says

something interesting about the films and their audiences This primer and reference guide defines and explores 75 alphabetically listed subgenres of horror film from Abduction to Witchcraft and two Zombie subgenres Each sizeable entry provides a critical survey of the subgenre a detailed examination of its characteristic elements and themes and a discussion of three or four exemplary titles as well as other titles of interest **Screen World 2007** John Willis,Barry

Monush,2010-05-01 Screen World Volume 58 is a Hal Leonard publication **Stonehenge** Rosemary Hill,2012-10-08

Welcoming 800 000 visitors each year Stonehenge is the most famous pre historic monument in all of Europe It has inspired modern replicas throughout the world including one constructed entirely of discarded refrigerators This curious structure is the subject of cult worship is a source of pride for Britons and offers an intellectual challenge for academics It has captured the imagination and the attention of thousands of people for thousands of years Over the centuries experts have tried to discover the meaning behind Stonehenge While each new theory contradicts earlier speculation every new proposal attributes a purpose to the site From bards of the twelfth century to Black Sabbath from William Blake to archaeologists of the twenty first century Stonehenge has embodied a wealth of intention Was it designed for winter solstice for goddess worship or as a funerary temple While all have been suggested even proven the mystery continues Through the eyes of its most eloquent apologists Rosemary Hill guides the reader on a tour of Stonehenge in all its cultural contexts as a monument to many things to Renaissance Humanism Romantic despair Victorian enterprise and English Radicalism In the end the stones remain compelling because they remain mysterious apparently simple yet incomprehensible that is the wonder the enchantment of Stonehenge **I Never Knew That About Britain: The Quiz Book** Christopher Winn,2009-11-05

Bestselling author and quiz master Christopher Winn is here to test your general knowledge of Britain with over 1000 quiz questions to perplex and puzzle about our glorious islands Covering a myriad of subjects including history cathedrals sports records modern Britain royalty people places deeds discoveries and disasters there is something to test everyone from Britain s brainiest boffins to the quiz beginner Featuring a range of questions from multiple choice teasers and odd ones out to picture quizzes illustrated with charming line drawings to test your knowledge of the famous faces and facades of Britain Alongside these sit cryptic and puzzle quizzes plus special features spotlighting different regions so you can see just how well you know your local area Perfect for all ages this quiz book will provide hours of entertainment and education for the whole family and have you proclaiming I bet you never knew that **Horror Films** Colin Odell,Michelle Le Blanc,2008-04-28 Often subject to more cuts at the hands of the censor than a serial killer s razor the horror film has a fascinating history not only as film study but also as a look at what has been considered acceptable for the public to view and what the state will allow its citizens to see But for the most part horror films are about entertainment consistently profitable eminently enjoyable From horror cinema s beginnings in the late 19th century to the latest splatter films from the chills of the ghost film to the terror of the living dead there is more than enough here to keep fans awake at night Among the many films discussed are the popular

Dracula Evil Dead Frankenstein Halloween Ringo Scream and The Sixth Sense as well as the more unusual Black Cat The Living Dead Girl Nang Nak Rouge and Les Yeux sans Visage The guide also profiles such popular directors as Dario Argento John Carpenter Wes Craven David Cronenberg Hideo Nakata and Sam Raimi as well as cult directors from around the world including Coffin Joe Jean Rollin and Michele Soavi **Orphans** Jeremy Seabrook,2018-11-01 A rich and varied cultural and social history of an overlooked but ever present phenomenon and an impassioned plea for proper care today **A Walk by the Sea** John Brant Chatterton,2016-09-19 The British coast is where journeys begin and where journeys end where sun rises and where sun sets In John Chatterton s A Walk by the Sea John tells the story of his journey from Land s End to circumnavigate an island with a longer coastline than France or India with an infinite variety of landscapes seascapes and cultures After having always wanted to walk the coastline of Great Britain and returning to normality after the foot and mouth epidemic was declared over in 2001 John started his epic journey around Great Britain He quickly realised that this was not just a walk and this book is certainly not a walker s handy guidebook to the periphery of Blake s green and pleasant land but something much deeper and meaningful For John walking gets the most out of travel but this was a journey not a walk The journey is a reflection of Britain in the first millennium of the 21st century its events its places and its people Walking unlike other forms of travel allows time for expansion of thoughts and ideas and reflections on life and times This journey uses Britain as a backdrop to explore philosophical social political geographical and cultural issues that spring to mind on the way Although these thoughts and ideas are physically separate from the journey John explains how they are also a deeply intrinsic part of it too A Walk by the Sea is much more than a usual guidebook but instead is a psycho geographical journey around the Great British coastline in the first decade of the new millennium comments John **Inspired by True Events** Robert J. Niemi,2013-10-17 An up to date and indispensable guide for film history buffs of all kind this book surveys more than 500 major films based on true stories and historical subject matter When a film is described as based on a true story or inspired by true events exactly how true is it Which factual elements of the story were distorted for dramatic purposes and what was added or omitted Inspired by True Events An Illustrated Guide to More Than 500 History Based Films Second Edition concisely surveys a wide range of major films docudramas biopics and documentaries based on real events addressing subject areas including military history and war political figures sports and art This book provides an up to date and indispensable guide for all film history buffs students and scholars of history and fans of the cinema **Echoes of War** Michael C.C. Adams,2021-10-21 Americans are often accused of not appreciating history but this charge belies the real popular interest in the past Historical reenactments draw thousands of spectators popular histories fill the bestseller lists PBS A and Hollywood war movies become blockbusters Though historians worry that these popular representations sacrifice authenticity for broad appeal Michael C C Adams argues that living history even if it is an incomplete depiction of the past plays a vital role in stimulating the historical imagination In Echoes of War he examines how one of the most popular fields of

history is portrayed embraced and shaped by mainstream culture Adams argues that symbols of war are of intrinsic military significance and help people to articulate ideas and values We still return to the knight as a symbol of noble striving the bowman appeals as a rebel against unjust privilege Though Custer may not have been the Army's most accomplished fighter he achieved the status of cultural icon The public memory of the redcoated British regular soldier shaped American attitudes toward governments and gun laws The 1863 attack on Fort Wagner by the black Fifty fourth Massachusetts regiment was lost to public view until racial equality became important in the late twentieth century Echoes of War is a unique look at how a thousand years of military history are remembered in popular culture through images ranging from the medieval knight to the horror of U S involvement in the My Lai massacre

London's Burning Antony Taylor, 2012-01-26 From the early years of the nineteenth century cultural pessimists imagined in fiction the political forces that might bring about the destruction of London Periods of popular protest or radicalism have generated novels that consider the methods insurgents might use to terrorise the metropolis There has been a tendency to dismiss such writings as the lurid imaginings of pulp novelists but this book re evaluates the contribution of popular fiction to the construction of the terrorist threat It analyses the high points for the production of such works and locates them in their cultural and historical context From the 1840s when a fear of Chartist insurgency was paramount in the minds of authors it moves through the anarchist thrillers of the 1890s considers writers fears about Bolshevik revolution in the East End of the 1920s and 1930s explores fears of Fascism in the inter war years and assesses the concerns with underground counter culture that feature in the thriller literature of the 1970s It concludes with a re evaluation of the metropolitan background to the figure of the Islamist terrorist
