

A romantic couple is shown in a close embrace outdoors. The woman, with long, wavy brown hair, is smiling and looking towards the man. The man, with short dark hair and a beard, is wearing a light blue button-down shirt and is kissing her on the cheek. They are standing in front of a large, leafy tree. The background is slightly blurred, showing more greenery and a hint of a body of water.

Starting Over Edward A. Lynch, 2010-11-29 Starting Over traces the remarkable political career of former Virginia Governor and U S Senator George Allen Once considered a likely presidential candidate Allen became a YouTube sensation after a slip of the tongue But the Allen story is not over and his career has featured multiple returns from seeming oblivion The author provides a balanced look at Allen s successes and failures George Allen s career also parallels the ups and downs of modern American conservatism Allen reinvented conservative political action in the post Reagan post Cold War era The issues on which he had his greatest successes became the issues that fueled the Republican comeback in the 1990s In these pages the reader will learn as much about recent American politics as about Allen himself

Starting Over Albert Fishlow, 2013-08-01 Brazil has undergone transformative change since the 1980s from

an authoritarian regime to a democratic society advancing on all fronts political social economic and diplomatic In Starting Over Albert Fishlow traces the evolution of this member of the BRICS group over the last twenty five years and looks toward the future as the newly elected president Dilma Rousseff follows her very popular predecessor Luiz In cio Lula da Silva or Lula The transformation of the country began with the founding of the Nova Rep blica and the Constitution of 1988 which established a strong executive and encased key social principles such as a citizen s right to education and health care Then the Real Plan of 1994 initiated under President Fernando Henrique Cardoso set the stage for economic growth and a stable economy There were setbacks especially in the mid 1990s with the Mexican devaluation Asian financial crisis Russian default and Argentine collapse and later the U S recession But changed economic policies in the late 1990s put Brazil on the right path to future economic growth which resumed during the Lula years With popular participation in the electoral process at an all time high politics has been profoundly altered in Brazil Economic rules are now more permanent and economic advance more regular A healthier and longer life is now available to a broader swath of the population and there is opportunity for social advancement In addition its foreign policy has greater consequence internally as well as externally Dilma s two immediate predecessors Cardoso and Lula are tough acts to follow Their influence has been profound and Brazil is now a very different nation than it was in the 1980s But she is working from their template to move the country forward This insightful book clearly explains how and why the country has progressed to its current standing and what the future portends Starting Over is essential reading for anyone trying to grasp what is happening in this dynamic nation
