

**THE UNITED STATES AND
INTERNATIONAL DRUG CONTROL,
1909-1997**

David R. Bewley-Taylor

United States And International Drug Control 191997

**United States. Office of National Drug
Control Policy**

United States And International Drug Control 191997:

United States and International Drug Control, 1909-1997 David R. Bewley-Taylor, 2002-04-22 The United States and International Drug Control 1909 1997 charts the US quest to internationalize the doctrine of drug prohibition The study reveals the origins motivation and methodologies as well as the recurring contradictions and inconsistencies present within the US overseas fight against the production manufacture trafficking and use of certain psychoactive substances Drawing on extensive historical materials David Bewley Taylor uses the international career of America s first Drug Czar Harry J Anslinger to explore how the US successfully exploited hegemonic superiority in 1945 to influence the philosophy of the multilateral drug control system operated by the United Nations More than a purely historical study the book employs an interdisciplinary approach to understanding the development perpetuation and consequences of a US driven multilateral drug control system Examining the contemporary UN drug control framework the author argues that international legislation is largely ineffective This provocative book is the first study to provide a picture of US involvement in drug control from its inception to the present day Its wide ranging scope makes it of interest not only to scholars of diplomatic history US foreign Policy and international relations but also to anyone concerned by the universal growth of the illicit drug problem

National Drug Control Strategy (1997) Barry R. McCaffrey, 1997-05 Contents the purposes and nature of strategy a comprehensive 10 year plan profile of drug abusers trends in youth drug abuse health consequences cost of drug related crime illegal drugs remain available strategic goals and objectives demand and supply reduction goals and objectives measures of effectiveness a comprehensive approach youth oriented initiatives initiatives to reduce drug related crime and violence reduce health and social problems shield our frontiers reduce drug availability and resources to implement the strategy *National Drug Control Strategy* United States. Office of National Drug Control Policy, 1996 The National Drug Control Strategy, 1996 United States. Office of National Drug Control Policy, 1996 *The 1997 National Drug Control Strategy* United States. Office of National Drug Control Policy, 1997 *The Government Performance and Results Act : 1997 governmentwide implementation will be uneven : report to congressional committees ,* **The United States Government Manual, 1996-1997** Bernan Press, 1996-10 As the official handbook of the Federal Government this manual provides comprehensive information on quasi official agencies international organizations in which the US participates and boards commissions and committees *National Drug Control Strategy ,1997* **International Drug Control Into the 21st Century** Hamid Ghodse, 2008 Providing a comprehensive analysis of drug misuse dependence and the ways in which different parts of the world have responded to these problems this volume examines aspects of the contemporary drug problem the related debate and the way in which society is responding to it **The Government Performance and Results Act** United States. General Accounting Office, 1997 *The Global Underworld* Donald R. Liddick, 2004-07-30 Transnational crime is an increasing national security threat to the United States and to individual citizens around the world

Criminal groups both in the United States and abroad operate crime cartels that span national boundaries but in ways that affect all Americans and wreak havoc on law enforcement organizations as well as businesses and other entities such as the stock market. More often than not transnational crime takes the form of organized crime and in its many forms is responsible for overpriced goods, unsafe products, environmental hazards, corruption of public officials, the exploitation of women and children, tax evasion, theft, and piracy, identity theft, organ smuggling, stock market fraud, drug trafficking, and black market trading in armaments and weapons of mass destruction among other scandals and forms of misconduct. Because perpetrators often act in collusion with legitimate organizations and other powerful elites who either cooperate knowingly or unknowingly or are coerced through violence, dealing with the problem is especially difficult. Here Liddick describes the many groups responsible for transnational crimes and the nature and scale of their various enterprises. The result is a powerful testament to the globalization of criminal organizations and their danger to American society. From the Russian mafia to Chinese Triads, from outlaw motorcycle gangs to Latin American drug cartels, the nature and incidence of transnational crime is a serious threat to American security both at the national and the individual level. Because of America's porous borders, it is relatively easy for criminal foreigners to set up their organizations within the United States. Moreover, there are well established groups already present in the United States that are now capable of operating on a multinational level. While response to the problem has been overdue, recent efforts to address transnational crime include technological innovations and controversial legislation such as the Patriot Act and the Homeland Security Act. But how well will these measures protect Americans from the increasing prevalence of criminal organizations that are capable of carrying out crimes that span the globe? This important book provides an engaging glimpse into the world of transnational crime through an introduction to the various groups involved, true stories of criminal misconduct, and a careful review and evaluation of efforts to address the problem. *Renewing Democracy Into the Millennium* Trevor Munroe, 1999

The National Drug Control Strategy 1996 Barry R. McCaffrey, United States. Office of National Drug Control Policy, 1996-09

Crime, Delinquency and Justice Ramesh Deosaran, 2007 This reader presents fresh insights on the rapidly expanding and changing crime related problems in the Caribbean as well as provides information on new dimensions of crime and criminology that are occurring with increasing regularity. A path breaking and comprehensive work. *Crime, Delinquency and Justice: A Caribbean Reader* has come at a time when all societies in the Caribbean region are grappling with crime in all its forms and when the structure of the justice system on which all these societies are founded is being challenged to adjust to changes in society locally and internationally. The work addresses both theoretical and practical issues indicated by the broad range of areas covered including: Theorizing a Caribbean Criminology, Juvenile Delinquency and Public Policy, Domestic Violence and the Criminal Justice System, Community Policing, Police Styles and Use of Force, Corrections, Crime Statistics, the Jury System, Drug Trafficking, Terrorism, Social Upheaval and Political Violence, and Human Trafficking. Much of the contributions are research

and data driven and overall have policy development as their focus This makes the volume suitable for courses in criminology and criminal justice at both the undergraduate and graduate levels as well as for specialist courses in various aspects of policing and law enforcement

Annual Report of the Attorney General of the United States United States. Department of Justice,1986

Foreign Operations, Export Financing, and Related Programs Appropriations for Fiscal Year 1997 United States. Congress. Senate. Committee on Appropriations. Subcommittee on Foreign Operations, Export Financing, and Related Programs,1996

Global Report on Crime and Justice Graeme R. Newman,1999 Research and data gathered by the UN Centre for International Crime Prevention The work combines a wealth of information about crime and justice from UN member states and beyond and presents emerging crime trends and operations of criminal justice systems on a comparative basis

The War on Drugs Ron Chepesiuk,1999-12-17 Here is the whole story of the world of drugs from the infamous Opium Wars to the legal availability of narcotics in the United States during the past century from the unexpected boost given to illicit drugs by Prohibition to the great success of the French Connection The global drug trade is one of the most prominent examples of the law of supply and demand Despite such countermeasures as the execution of narcotics dealers in China and the United States s much ballyhooed War on Drugs drug traffickers have always managed to meet the demand and satisfy an ever growing customer base In addition to offering a wealth of little known facts The War on Drugs also covers major dealers cartels organizations smuggling and anti smuggling strategies major miscalculations and disasters drug epidemics legal restraints famous incidents and more
