Douglas Birsch,2013-09-06 In this accessible and enlightening work Birsch introduces the main ethical theories in Western
philosophy using a procedural approach that enables readers to make ethical evaluations of cases and issues This novel
treatment provides a well rounded overview of each theoretical approach and attempts to refute the widely held opinion that
there are no correct solutions to moral problems **Common Stocks and Common Sense** Edgar Wachenheim,
III,2016-04-25 Deep insight and candid discussion from one of Wall Street s best investors Common Stocks and Common
Sense provides detailed insight into common stock investing using a case study approach based on real world investments
Author Edgar Wachenheim is the 28 year CEO of Greenhaven Associates boasting an average annual portfolio comparable to
Warren Buffet s In this book he shares his knowledge and experiences by providing detailed analyses of actual investments
made by himself and other investors The discussion covers the entire investment process including the softer human side
with candid insight into the joys and frustrations intensities and pressures and risks and uncertainties The unique emphasis
on behavioral economics and real world cases set this book apart from the herd but it s Wachenheim himself and his deeply
examined perspective that elevates the book beyond a mere investing guide Between 1990 and 2014 a typical portfolio
managed by Wachenheim enjoyed an average annual return in excess of 18% achieved using relatively conservative stocks
and no financial leverage As a proponent of evidence and example his analysis of real cases serve as a valuable education for
anyone looking to improve their own investment practices Understand investment through the lens of a Wall Street leader
Dig into the details of real world common stock investing Learn how to invest creatively and minimize risk Go beyond theory
to study strategy on a case by case basis Investment principles and strategies are easy to find entire libraries have been
written about theories and methods and what should happen But this book goes beyond the typical guide to show you how
these ideas are applied in the real world and what actually happened Investors seeking real insight real expertise and a
proven track record will find Common Stocks and Common Sense a uniquely useful resource **New York State**
