Annual Review of Comparative and International Education 2015 Alexander W. Wiseman, Emily

Anderson,2016-01-08 The goal of the ARCIE volume is to examine current perspectives and future directions for the field using several essays as a context for discussion and analysis *Marker-Assisted Breeding in Legumes for Drought Tolerance* Muhammad Azhar Nadeem, *Kenya Telephone Directory* ,2002 *Text and Context* Melanie Baffes,2018-10-24

As biblical hermeneutics moves increasingly toward the inclusion of vernacular approaches to the text understandings of the Bible based on culture context and human experience many communities of faith around the world are contributing their voices to the conversation of global Christianity This volume explores reading methods and text interpretations of believers in South Africa the Caribbean Spain the Netherlands the United States India Kenya Fiji Japan the United Kingdom New Zealand and Nigeria revealing the ways various faith communities read the Bible contextually Essays in this volume also illustrate the impact of the biblical text in people s lives on their understandings of oppression identity the plight of refugees decline and loss the relationship between church and society imperialism homelessness restorative justice bodily experiences of the Holy Spirit and time and the future Together these writings provide an in depth sense of how global Christians read the Bible through the lens of their own tradition or culture as well as how the Bible informs all aspects of their lives as they read the world biblically **Applied Safety for Engineers** B.S. Dhillon,2021-12-28 Global competition and other factors are forcing manufacturers to produce highly safe engineering systems and products This book meets the needs for product designers systems engineers and safety engineers that work together and need a single resource which considers all three areas when designing new products and systems that they can refer to Applied Safety for Engineers Systems and Products serves as a comprehensive resource offering a wide range of safety topics when involved with product design engineering system analysis and engineering maintenance Examples along with their solutions are placed at the end of each chapter to test reader comprehension The book facilitates the importance for product designers safety and systems engineering professionals to work closely during the product design phase so they can understand each other s discipline Written in a manner that readers do not need any previous knowledge on the subject the book offers many sources for further reading at the end of each chapter This book will be useful to product designers system engineers safety specialists graduate and senior undergraduate students researchers and manufacturers industrial engineers safety engineers and engineers at large

Yearbook of International Organizations 2014-2015, Volumes 1a & 1b (Set) Union of International Associations,2014-06-16 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events *An Ethic of Hospitality* Emily Jeptepkeny Choge,2020-07-30 In our increasingly xenophobic world countries are turning away refugees and immigrants Based on the situation in Kenya this book offers a countercultural ethic of hospitality and welcome to the stranger an ethic fraught with dangers and yet filled with great opportunities for transforming our world Drawing on the scriptural pilgrim motif and specifically on the book of Hebrews this study paints a picture of refugees not only as needy strangers to be herded into camps but as brothers and sisters who bring with them

treasures and talents that can enrich our understanding of our Christian identity and mission as pilgrims in the world The hospitality practice seen in Hebrews offers hope and promise not only for refugees themselves but also for the pilgrim church Like the ancient heroes of faith portrayed in Hebrews we too live as pilgrims and aliens who await with hope the city whose architect and founder is God Refugees in fact teach us how to live our pilgrim identity they become teachers not only for the church in Kenya but also for the body of Christ worldwide

The Genocide-Ecocide Nexus Damien Short, Martin Crook, 2022-02-09 In a world gripped by an ever worsening ecological crisis there are present and increasing genocidal pressures on many culturally distinct social groups such as indigenous peoples This is where the genocide ecocide nexus presents itself The destruction of ecosystems ecocide can be a method of genocide if for example environmental destruction results in conditions of life that fundamentally threaten a social group's cultural and or physical existence Given the looming threat of runaway climate change the attendant rapid extinction of species destruction of habitats ecological collapse and the self evident dependency of the human race on our bio sphere ecocide both natural and manmade will become a primary driver of genocide Through nine chapters of cutting edge research this book examines specific case studies in geographical settings

such as Iraq Sudan Nigeria and Brazil to highlight and analyse the crucial connections and vectors of the genocide ecocide nexus This book will be of great value to scholars students and researchers interested in the ecological crisis Environmental Justice the political economy of genocide and ecocide as well as environmental human rights The chapters in this book were originally published as a special issue of The Journal of Genocide Research *Handbook of Children's Risk, Vulnerability and Quality of Life* Habib Tiliouine, Denise Benatuil, Maggie K. W. Lau, 2022-07-30 This handbook makes a major contribution to the growing international research and policy interest in children s experienced well being or quality of life in childhood linking it to ongoing research on children s risk and vulnerability The editors and contributors adopt the broader concept of risk in addition to vulnerability Not much work considers the connections between risks that children experience and their quality of life In examining children s quality of life the chapters discuss various issues of risk and vulnerability that may affect their lives and also how the quality of childhood might be enhanced and maintained even in the face of these factors The chapters discuss experiences of violence and abuse access to basic services such as housing health and education and children s vulnerability due to broader external factors such as war conflict and environmental events The volume also includes the impacts of new technologies on children and the consequent risks and vulnerabilities they may face alongside the benefits This important volume brings together a diverse range of perspectives from established experts and emerging scholars in these fields of work It covers a wide range of geographical and cultural contexts and includes theoretical empirical policy and practice based contributions This handbook is a natural first point of reference for academics and policy professionals interested in quality of life well being and children s rights **The Medical Directory ...** ,1961 **Kenya Post Box & Bag Directory** ,2001 **International Christian Literature Documentation Project: Author-editor index, corporate name index** ,1993
