**Rule of Law** Barbara Faedda, 2021-08-25 Edited by Barbara Faedda Based on a division of powers and the supremacy of a constitution the rule of law is not invulnerable as was demonstrated in the violent attack against the U S Capitol on January 6 2021 It can be used but also abused it can be respected or exploited exalted or undermined It can even arouse skepticism because it is not always effective against the realities of political life In a world facing social division polarization poverty climate change and pandemics it is crucial to understand the roles of those who manage control or are touched by the rule of law This book's primary goal is to showcase the variety of perspectives cases and methodologies of the people and institutions that bring a range of expertise to bear in many fields The essays here which encompass various geographic areas and social groups as well as several historical periods address racism misinformation human rights the status of women the treatment of indigenous peoples the environment and more The rule of law is not merely a set of principles that guarantee a just society It must be more than a tool in the hands of legal experts it cannot be a concept out of the reach of ordinary people It is essential that every citizen feel a clear responsibility to protect and promote the rule of law to denounce inequalities and oppose imbalances of power if the common goal is to enjoy freedom democracy and justice for all Barbara Faedda is the executive director of the Italian Academy for Advanced Studies at Columbia University and adjunct associate professor in Columbia's Department of Italian where she teaches courses on contemporary Italy Among her publications are the books *Elite Cultura italiana e statunitense tra Settecento e Novecento* Ronzani 2020 *From Da Ponte to the Casa Italiana A Brief History of Italian Studies at Columbia* Columbia University Press 2017 *Present and Future Memory Holocaust Studies at the Italian Academy* editor Italian Academy Publications 2016 and essays including *An Italian Perspective on the U S Italy Relationship* The White House Historical Association 2016 *Neurolaw come le neuroscienze potrebbero cambiare l'antropologia giuridica* and *We are not racists but we do not want immigrants* In 2016 Dr Faedda conceived the International Observatory for Cultural Heritage IOCH dedicated to all issues relating to the survival protection

and conservation of cultural heritage In 2019 she was appointed ambassador permanent observer for the European Public Law Organization to the United Nations

Critical Issues in Nigerian Property Law Utuama, Amos Agbe, 2016-07-25 Critical Issues in Nigerian Property Law a collection of writings in honour of Professor Jelili Adebisi Omotola SAN a former Vice Chancellor of the University of Lagos who died on the 29th of March 2006 has ten chapters that closely examine not only the current state of Property Law in Nigeria but also recent developments and other challenges that have surfaced since the infamous Land Use Act of 1999 The book is clearly a useful contribution to a growing body of knowledge on property law and practice in Nigeria

Colonial Legacies and the Rule of Law in Africa Salmon A Shomade, 2021-12-30 This book focuses on the continued impact of British colonial legacy on the rule of law in Ghana Kenya Nigeria South Africa and Zimbabwe The legal system is intended to protect regular citizens but within the majority of Africa the rule of law remains infused with Eurocentric cultural and linguistic tropes which can leave its supposed beneficiaries feeling alienated from the structures intended to protect them This book traces the impact effect opportunities and challenges that the colonial legacy poses for the rule of law across Ghana Kenya Nigeria South Africa and Zimbabwe The book examines the similarities and differences of the colonial legacy on the current legal landscape of each nation and the intersection with the rule of law This important comparative study will be of interest to scholars of Political Science International Studies Law African Politics and British Colonial History

Human Rights and the Environment under African Union Law Michael Addaney, Ademola Oluborode Jegede, 2020-08-21 This book brings together original and novel perspectives on major developments in human rights law and the environment in Africa Focusing on African Union law the book explores the core concepts and principles theory and practice accountability mechanisms and key issues challenging human rights law in the era of global environmental change It thus extend the frontier of understanding in this fundamental area by building on existing scholarship on African human rights law and the protection of the environment divulging concerns on redressing environmental and human rights protection issues in the context of economic growth and sustainable development It further offers unique insight into the development domestication and implementation challenges relating to human rights law and environmental governance in Africa This long overdue interdisciplinary exploration of human rights law and the environment from an African perspective will be an indispensable reference point for academics policymakers practitioners and advocates of international human rights and environmental law in particular and international law environmental politics and philosophy and African studies in general It is clear that there is much to do study and share on this timely subject in the African context
