disciplinary sectoral national and conceptual divides South Africans enter into conversation with scholars and activists from elsewhere in the Global South including the Arab world and the rest of Africa and from the European periphery Insights on democracy are offered from a diversity of perspectives and voices spanning philosophy socio legal and political studies sociology public administration and queer and gender studies and activism The book will be of interest to academics activists policymakers development planners and the general public The D Word is a timely contribution addressing burning questions are current contestations about the relevance of democracy due to systemic flaws in how it is constituted received practised and even imagined and can the democratic project be salvaged The book s unique approach brings a variety of lenses to bear on the prospects for democracy The critical reflections it contains make for an enriching broad canvas of ideas Professor Sandy Africa University of Pretoria

**Land, Law and Chiefs in Rural South Africa** William Beinart, Rosalie Kingwill, Gavin Capps, 2021-05-01 This edited collection illustrates contestations over land and political authority in South Africa s rural areas focusing on threats to popular rights and how they are being supported Who controls the land and minerals in the former Bantustans of South Africa chiefs the state or landholders Disputes are taking place around the ownership of resources decisions about their exploitation and who should benefit With respect to all of these issues the courts have become increasingly important The contributors to Land Law and Chiefs in Rural South Africa capture some of these intense contestations over land law and political authority focussing on threats to the rights of ordinary people History and customary law feature strongly in most disputes and succession to chieftaincy is also frequently disputed Judges have to make decisions in a context where rival claimants to property or office assert their own versions of history and custom The South African constitution recognizes customary law and the courts are attempting to incorporate and develop this branch of jurisprudence as living customary law Lawyers community leaders and academics are called on to assist in researching cases around restitution land rights and customary law The chapters in this collection discuss legal cases and policy directions that have evolved since 1994 Some chapters analyze the increasing power of chiefs in the South African rural areas while others suggest that the courts are giving support to popular rights over land and supporting local democratic processes Contributors record significant pushback from groups that reject traditional authority These political tensions are a central theme of the collection and thus serve as vital case studies in furthering our understanding of rights and restitution in South Africa

**The Oxford Handbook of the South African Economy** Arkebe Oqubay, Fiona Tregenna, Imraan Valodia, 2021-11-18 While sharing some characteristics with other middle income countries South Africa is a country with a unique economic history and distinctive economic features It is a regional economic powerhouse that plays a significant role not only in southern Africa and in the continent but also as a member of BRICS However there has been a lack of structural transformation and weak economic growth and South Africa faces the profound triple challenges of poverty inequality and unemployment Any meaningful debate about economic policies to address these challenges needs to be informed by a deep

understanding of historical developments robust empirical evidence and rigorous analysis of South Africa's complex economic landscape This volume seeks to provide a wide ranging set of original detailed and state of the art analytical perspectives that contribute to scientific knowledge as well as to well informed and productive discourse on the South African economy While concentrating on the more recent economic issues facing South Africa the handbook also provides historical and political context It offers an in depth examination of strategic issues in the country's key economic sectors and brings together diverse analytical perspectives

### **The PhD Experience in African Higher Education** John

Mashayamombe, Ruth Murambadoro, uMbuso weNkosi, 2022-11-08 The PhD Experience in African Higher Education edited by Ruth Murambadoro John Mashayamombe and uMbuso weNkosi addresses the growing call to invest in the humanities and social sciences by exploring the nature of doctoral training in select institutions of higher learning in South Africa In the past two decades South Africa has become a key player in the global higher education landscape and dubbed the hub for doctoral training in Africa because of its developed educational infrastructure and highly ranked universities Given South Africa's positioning the contributors in this volume argue that the government donors universities and faculty have a socio legal duty to ensure that doctoral programs in the humanities and social sciences are not offered to amass numbers of African graduates but are grounded on equipping students with both hard and soft skills necessary to succeed This is achieved by offering skills training and research apprenticeships fostered in communities of practice because as the contributors show the humanities and social sciences are the backbone of society Furthermore they argue that treating doctoral candidates as equal partners is emancipatory because intellectual projects are best nurtured through collaborative learning
