adversity after I learned to take ownership for my actions I share how I accepted my charge to make the appeal that folks stop doing wrong and calling it right My heartfelt desire for you is that you exercise Godly wisdom to avoid some pitfalls that can cause much trauma and significant drama The key to avoiding some of the major painful experiences is to completely trust God He stands ready to grant us the desires of our hearts however we tie his hands through our willful acts of disobedience to his Word his way and his will In some instances it took me a long time to obtain wisdom because for so long I insisted on being stuck on stupid For too long I was determined to do things my way I did not give any serious thoughts to the devastating consequences to me and to those connected to me In My Testimony I candidly reveal my exposure to major church hurt There is no hurt like church hurt But I survived it and I want you to know that so can you Those tests serve to make you better not bitter I learned that forgiveness is a matter of the heart My experiences have given me the ability to be bold real transparent and explicit in my appeal to encourage folks to abandon their evil and wicked ways God is not mocked The Word of God is clear in that we will reap what we sow I share with you how I learned to allow God to come into my life and super rule trusting him unconditionally with my life for he is my creator and he knows what is best for me I want to encourage believers to be true followers of Christ living a life that is pleasing and acceptable in the sight of God 101 Ways to Strengthen the Parent-Child Connection Michael Ross,Tiffany Ross,2015-06-01 As a parent you are the greatest influence in the lives of your children and even though they don t always show it your attention means everything to them This fast fun resource is jam packed with 101 creative ways to help you connect with your kids and nurture their spiritual growth These must read pages are like three books in one a daily devotional a family activity guide and a parent child communication primer Age appropriate object lessons and discussion starters bring to life Bible verses about the character of God enabling you to seize Proverbs 22 6 and train up your kids The Land of Promise; Or, My Impressions of Australia William Shaw (late midshipman, R.N.),1855 Chap 11 Aborigines physical appearance food general life weapons hunting superstitions Love Letters John T. Bainbridge,2022-05-13 Just why do churches put so much energy into repackaging and explaining their holy book in words more people even their own people might understand Many of us don t really want to know who the wicked are or what sin righteousness God or Lord might mean because they are part of a religious world we don t belong to So what could we possibly have to learn from a text that is baked in that stuff Much is being rediscovered in contemplative meditative and wisdom traditions often dating back millennia and transcending religious worldviews It should be no surprise then that there is indeed precious insight into human life to be found in the ancient Hebrew writings too But how do we access it It is time to offer a portion to everyone all humans regardless of background or religious affiliation as we ask questions we have always been asking Where is my life headed What are my influences and how do I react Can I affect society Do I feel stupid Confident Do I meditate and feel a reassuring sense of presence or terrible loneliness Do my choices define me When I try to act positively am I part of something bigger What is life all about Where does suffering fit in Love has
