Until The End Of Time:

Until the End of Time Stan Rogers, 2010-08-20 I like to examine the dark side of life through my writing Whether it is through my novels or my poetry I find I prefer the walk along the dark side of the road over the heart lifting sunnier side This Anthology is a walk along that road although it does include lighter moments and the occasional funny aside Apart from the poetry in this Anthology you will also find views of life and in particular my antipathy towards organised religion alongside a couple of very short children s stories So please read my Anthology It will make you smile I hope as well as make you cry I have also written and published one novel so far entitled LOVE SEX AND TIME TRAVEL I always point out that it is not a science fiction novel as such There are no time machines aliens or spaceships in it but it is rather a bitter sweet love story again examining the darker side of love and life

Until the End of Time Mbali Dlamini, 2019-10-18 The book tells a story of a girl who was in love but she ended up losing everything Her family was complicated She lost her parents in the game of love but she never gave up on herself

Until the End of Time Danielle Steel, 2013-01-29 1 NEW YORK TIMES BESTSELLER Two couples four decades apart One believes that if lovers die they find each other again in another life Or perhaps they wind up as stars side by side in the sky together forever Who knows how it really ends Danielle Steel presents the poignant story of two parallel destinies and the kind of love we all hope will be everlasting Bill a dedicated young lawyer working at his family s prestigious New York firm leaves everything he trained for to follow his dream and become a minister in rural Wyoming Jenny his wife is a stylist whose heart and soul are invested in fashion She leaves the milieu and life she loves to join him The certainty they share is that their destinies are linked forever Fast forward thirty eight years Robert is a hardworking independent book publisher in Manhattan who has given up all personal life to build his struggling business He is looking for one big hit novel to publish Lillibet is a young Amish woman living as though in the seventeenth century caring for her widowed father and three young brothers on their family farm In secret at night by candlelight she has written the novel that burns within her and gets it into Robert s hands wrapped in her hand stitched apron He falls in love first with the book and then with the woman he has never met living in the sequestered world of the Amish a world without telephones computers electricity modern conveniences or cars Although Lillibet faces banishment from her family and community she embraces the opportunity to publish her novel and is irresistibly drawn to the man who has heard her voice Destiny is at work here Fate draws her from her horse and buggy life toward his and the publication of her novel In the hands of master storyteller Danielle Steel these two remarkable relationships come together in unexpected and surprising ways as lovers are lost and find each other again If it is true that real love lasts forever and lovers cannot lose each other then Until the End of Time will not only comfort and fascinate us as destiny does her dance but it will give us hope as well Love and fate are powerful irresistible forces as Steel proves to us here in a book about courage change risk and hope and love that never dies

Beverly,1684 **The Apocalyptic Year 1000** Richard Landes,Andrew Gow,David Van Meter,2003-06-05 The essays in this book challenge prevailing views on the way in which apocalyptic concerns contributed to larger processes of social change at the first millennium Several basic questions unify the essays What chronological and theological assumptions underlay apocalyptic and millennial speculations around the Year 1000 How broadly disseminated were those speculations Can we speak of a mentality of apocalyptic hopes and anxieties on the eve of the millennium If so how did authorities respond to or even contribute to the formation of this mentality What were the social ramifications of apocalyptic hopes and anxieties and of any efforts to suppress or redirect the more radical impulses that bred them How did contemporaries conceptualize and then historicize the passing of the millennial date of 1000 Including the work of British French German Dutch and American scholars this book will be the definitive resource on this fascinating topic and should at the same time provoke new interest in and debate on the nature and causes of social change in early medieval Europe The Revelation and the Rapture-Are We There Yet? Robert L. Kramer,2007 This radically different but totally scriptural presentation of familiar end time events exposes the weaknesses and deception of the popular current view that insists this generation is the terminal generation
