Until We Fly The Beautifully Broken English Edition:

Beautifully Broken Paige Wetzel, Josh Wetzel, 2020-10-13 Restore your faith in love and family with one Army wife's courageous story of how she helped her husband recuperate from losing both of his legs while serving in Afghanistan. Paige received the phone call that every military wife prays will never come. Her husband, Army Sergeant Josh Wetzel, stepped on an improvised explosive device while patrolling in Afghanistan. The blast resulted in the immediate loss of his legs. His survival was uncertain, and in the days to come, this traumatic incident began an unbelievable journey of faith for them as a couple. Paige's vulnerability as she struggles physically, emotionally, and spiritually will remind you of the power of commitment and love in the face of adversity. You will discover the bravery and grit of a woman who stood behind the battle lines but faced a battle of her own to save her marriage and her family. As a military wife, Paige had to come to terms with the priorities of the military: God, Country, and then Family.

Beautifully Broken Cindy Delong, Latoriea Edwards, Lisa Tucker, 2021-01-25 Marsha Taelyn and Veronica must deal with the untimely death of their close friend Kaycee Taelyn. Marsha and Veronica travel back to their old stomping grounds of New Orleans to be with Marsha for the funeral, where secrets are revealed and the women must face demons, harsh truths, and new realities. They all have a bad feeling about the events that will take place in New Orleans, and their intuitions are right. They would have never imagined the unthinkable drama that unfolds as they say goodbye to their longtime friend. With the unwritten rules of friendship, will this test the bonds they have as friends, or will their love for each other be strong enough to get them through this? While rediscovering who they are and their purpose, lots of pain and hatred seep into their minds, bodies, and souls, trying to take over what they have left to give. This is a story of love, betrayal, mental health, friendship, and family. They all try to cope with the twists and turns and mend their beautifully broken hearts.

Beautifully Broken C.L. Ford, 2013-04-24 From all appearances, the love story of K L Savanti and Yvette Tolouse bordered on a fairy tale. The envy of all who knew them, their friends and family, looked forward to celebrating their upcoming tenth anniversary in style. But appearances can be deceiving. Just four months before their big anniversary, they make a stunning announcement. It's over. Yvette informs their friends that she is leaving, not only her marriage but her home and city behind. Both she and K L are bombarded by questions desperate to know what went wrong. But neither side is talking, which fuels dark rumors and whispers of the worst possible scenarios. K L's withdrawal from his own circle of friends only adds legitimacy to everyone's worst suspicions. There are two sides to any story. Somewhere between two truths lies the real truth, but when neither offers up an explanation, what are their friends to do? What began as a dream romance has quickly dissolved into a nightmare of broken hearts, broken friendships, broken promises, blackmail, and unthinkable violence for all involved. Anyone who has ever given their heart knows how easily that gift can be shattered. Love can be beautiful one moment and painful the next. Aren't we all Beautifully Broken in our own way?

study complete with Leader Notes includes daily readings and questions that identify past woundings and the resulting shame messages we carry with us This gentle guide will help you find healing for emotional and spiritual barriers in your relationships with yourself with God and with others The transforming result will be worth more than gold *Beautifully Broken* Anna Kay Brown,2018-06-14 This book is full of practical lessons that I have learned through my separation and divorce It is for the believer or nonbeliever It shows grace working through my humanity When I was a girl I wrote my story of the way my life was going to be I had everything planned down to the description of my prince My life would be the ultimate fairy tale I would have the perfect children and would be the perfect mom and wife And then I grew up I thought I had found forever but I was wrong My invisible children were perfect but my real ones were human I read hundreds of books and followed every rule However I realized I was not perfect and that life and God was not just about rules We can do everything right but that doesn't make us exempt from hard times God determines every outcome even when we don't understand them and we want to cry scream and stomp our feet in protest of the injustice we feel If we are willing God will guide our steps and He will protect our hearts He knows where we are in our story but it is our choice how it ends
