Untracked Ben Baughman,2016-03-23 I write to those who have lost trust in the institutions of power around them including the religious ones I write to those who either still have or would like to have faith in God but what we refer to as religion troubles them I write to thoughtful people who have been marginalized by those who remain in the church as having left their faith behind when really they have only left that which they are uncomfortable with even if that discomfort is vague and not quite voiceable I write to those who long for something that gives them purpose reason inspiration life and courage to become all they can be something that acknowledges and encourages who they already are and gives them reason to overcome and attain all they dream of inside I write to those who have tired of giving disproportionate time energy resources and talent to that which has ever less real impact on the world around it I invite you to an untracked world that eagerly awaits your faith
