**Communalism from Indian Perspective** Sarajit Kumar Chatterjee,2016-01-01 A pluralistic country like India has become the playground of communalism In spite of its vivisection on the basis of religion in 1947 India could not rather did not insulate itself from the virus of communalism There are many reasons for the growth and sustenance of communalism in free secular India Perhaps our Constitution is no less responsible for this The Framers of the Constitution might have wanted to usher in a true secular India but their obsession with communalism stood in the way They weighed everything from a communal angle As a result they incorporated several community specific provisions which benefited particular religious communities and at the same time shied away from incorporating those provisions in the Constitution which would have put a death nail to the coffin of communalism What is more ominous is that they never realised that their actions and non actions would give a fresh lease of life to communalism and that there would be polarisation of the communities on the basis of religion in post independent India as well A Dictionary, Persian, Arabic, and English Francis Johnson,1852 A Dictionary, Persian, Arabic, and English John Richardson,1777 **A dictionary, persian, arabic, and english by Francis Johnson** Francis Johnson,1852 **Tales of the East: The new Arabian nights; Persian tales; Persian tales of Inatulla; Oriental tales; Nourjahad; and additional tales from the Arabian nights** Henry Weber,1812 *Continuation of the New Arabian nights.
