George III, 2006-11-28 IN A SINGLE MOMENT the lives of three men will be forever changed In that split second defined paradoxically by both salvation and loss they will destroy the world and then restore it Much had come before and much would come after but nothing would color their lives more than that one isolated instant on the edge of forever IN A SINGLE MOMENT Spock displaced in time watches his closest friend heed his advice by allowing the love of his life to die in a traffic accident thereby preserving Earth's history Returning to the present however Spock confronts other such crises and chooses instead to willfully alter the past Challenged by the thorny demands of his logic he will have to find a way to face his conflicting decisions IN A SINGLE MOMENT that stays with Spock he preserved the timeline at the cost of Jim Kirk's happiness Now the death of that friend will cause Spock to reexamine the fundamental choices he has made for his own life Unwilling to accept his feelings of loss and regret he will seek that which has previously eluded him complete mastery of his emotions But while his quest for the perfect geometry of total logic will move him beyond his remorse another loss will bring him full circle to once more face the fire he has never embraced

The Ethics of Star Trek Judith Barad,Ed Robertson,2000-12-05 Lwaxana Troi decides to please her Kostolain husband to be by wearing a traditional wedding gown at their service even though her own orthodox Betazoid tradition requires her to go nude At the last minute she changes her mind and arrives at the ceremony wearing nothing but a smile Her fianc is shocked so shocked that he cancels the wedding If you were Lwaxana Troi what would you have done Is honoring your own tradition more important than respecting someone else's Though the world of Star Trek is clearly set in the future its attitudes politics and culture have always reflected the mores of today Perhaps that's why this phenomenal series has kept us fascinated challenged and inspired as well as entertained for nearly thirty five years From the original adventures of Kirk Spock and McCoy to the present day saga of Voyager Star Trek reminds us that even in the brave new world of the twenty fourth century the deepest questions of morality must still be answered The fundamental principles that have always guided our heroes are indeed powerful enough to provide direction in our own lives But what exactly are the ethics of Star Trek Where do they come from Are these principles always the same from series to series What do they mean for us today Using episodes from all four Star Trek series as well as examples from Plato Aristotle Sartre and other great philosophers of the past The Ethics of Star Trek explores the answers to these and other important ethical questions Why is good stronger than evil If the Prime Directive is so inviolable why does Kirk always seem to break it Would Nietzsche have made a good starship captain What's more important the intentions behind our actions or the results we get Does absolute power really corrupt absolutely What would you do with the power of Q How would Kant's insistence on autonomous altruism have affected the Federation's dealings with the Borg Are rational beings the only life forms entitled to our respect

What would it mean if deep down everyone really were a Ferengi Join Dr Judith Barad and Ed Robertson as they take the complex intriguing and often confusing subject of ethics and make it practical understandable and accessible for this century and beyond **The Gospel According to Star Trek: The Original Crew** Kevin C. Neece,2016-09-12 What s Christian about Star Trek Nothing That s the way most people see it and that certainly seems to be the way the franchise is intended There s no question that the Trek universe is based on a doggedly humanistic world view and is set in a future time when religion has essentially vanished from Earth If that s the case how can there even be a gospel according to Star Trek In The Gospel According to Star Trek The Original Crew you ll discover how the continuing voyages of Kirk and company aboard the Enterprise from the original series to the Abramsverse tell us more about our human quest for God than you ever imagined You ll learn how Star Trek creator Gene Roddenberry s own spiritual quest informed the franchise what he and the series really have to say about God and religion and the amazing image of Christ contained in Star Trek s most popular character You ll also see how Star Trek can help us recover a deeper more fully human gospel that embraces our humanity instead of denigrating it and echoes the call of both Spock and Christ Live long and prosper John 10 10 Star Trek: Burden of Knowledge Scott tipton,David Tipton,2014-09-10 The next adventure of the classic Enterprise crew begins here When a routine Federation diplomatic visit turns suddenly and unexpectedly violent Captain Kirk Mr Spock and Dr McCoy find themselves kidnapped and halfway across the galaxy An Original Series era miniseries from the creative team behind Spock Reflections *Sacrifice and Salvation in Star Trek* Julie Burchfield,2014 *Star Trek: Year Five #21* Brandon Easton,2021-06-30 With Spock still missing the crew of the Enterprise needs to figure out where and when he is if they want to save the future Meanwhile on Vulcan Spock is faced with a choice that won t only change his life but Vulcan society as he knows it The final voyages of the original mission continue in this episode from writer Brandon Easton Transformers War for Cybertron Thundercats and artist Silvia Califano Star Trek Year Five X Files Case Files Quotable Star Trek Jill Sherwin,2010-06-15 Good words That s where ideas begin Dr David Marcus to Admiral James T Kirk Star Trek II The Wrath of Khan It makes us wonder It makes us smile But most of all it makes us think More than any other single aspect Star Trek is defined by the strength of its ideas For decades this television and movie phenomenon has reached out to its audience spanning generations and inspiring them not simply with the power of its voice but with the meaning behind it Quotable Star Trek demonstrates the truly universal appeal of Gene Roddenberry s extraordinary creation Words of wit wisdom and compelling insight applicable to everyday life from The Original Series Star Trek The Next Generation Star Trek Deep Space Nine Star Trek Voyager and eight Star Trek motion pictures have been meticulously researched and collected in one volume Intensely thought provoking and thoroughly entertaining Quotable Star Trek has something for everyone and is a must have resource for every devoted fan **Spockology** Kevin C.
