United Nations Millenium Report

UN Millennium Project

United Nations Millennium Report:

United Nations Millennium Summit D.B. Rao, 2003 Millennium Summit of the United Nations was held from 6 to 8 September 2000 at the United Nations headquarters New York The Millennium Summit the largest ever gathering of world leaders heads of State or Government or their representatives addressed a host of issues under the official theme The United Nations in the 21st Century

UN Millennium Development Library: Investing in Development Jeffrey D. Sachs, The UN Millennium Project, 2019-06-03 The Millennium Development Goals adopted at the UN Millennium Summit in 2000 are the world's targets for dramatically reducing extreme poverty in its many dimensions by 2015 income poverty hunger disease exclusion lack of infrastructure and shelter while promoting gender equality education health and environmental sustainability These bold goals can be met in all parts of the world if nations follow through on their commitments to work together to meet them Achieving the Millennium Development Goals offers the prospect of a more secure just and prosperous world for all The UN Millennium Project was commissioned by United Nations Secretary General Kofi Annan to develop a practical plan of action to meet the Millennium Development Goals As an independent advisory body directed by Professor Jeffrey D Sachs the UN Millennium Project submitted its recommendations to the UN Secretary General in January 2005 The core of the UN Millennium Project's work has been carried out by 10 thematic Task Forces comprising more than 250 experts from around the world including scientists development practitioners parliamentarians policymakers and representatives from civil society UN agencies the World Bank the IMF and the private sector Investing in Development A Practical Plan to Achieve the Millennium Development Goals brings together the core recommendations of the UN Millennium Project By outlining practical strategies and approaches to financing the the report presents an operational framework that will allow even the poorest countries to achieve the Millennium Development Goals by 2015

Un Millennium Development Library: Health Dignity and Development Taylor & Francis Group, Un Millennium Project, 2020-09-30 The Millennium Development Goals adopted at the UN Millennium Summit in 2000 are the world's targets for dramatically reducing extreme poverty in its many dimensions by 2015 income poverty hunger disease exclusion lack of infrastructure and shelter while promoting gender equality education health and environmental sustainability These bold goals can be met in all parts of the world if nations follow through on their commitments to work together to meet them Achieving the Millennium Development Goals offers the prospect of a more secure just and prosperous world for all The UN Millennium Project was commissioned by United Nations Secretary General Kofi Annan to develop a practical plan of action to meet the Millennium Development Goals As an independent advisory body directed by Professor Jeffrey D Sachs the UN Millennium Project submitted its recommendations to the UN Secretary General in January 2005 The core of the UN Millennium Project's work has been carried out by 10 thematic Task Forces comprising more than 250 experts from around the world including scientists development practitioners parliamentarians policymakers and representatives from civil

society UN agencies the World Bank the IMF and the private sector In this report the UN Millennium Project Task Force on Water and Sanitation outlines the bold yet practical actions that are needed to increase access to water and sanitation The report underscores the need to focus on the global sanitation crisis which contributes to the death of 3900 children each day improve domestic water supply and invest in integrated development and management of water resources all of which are necessary for countries to reduce poverty and hunger improve health advance gender equality and ensure environmental sustainability Implementing the recommendations of this report will allow all countries to halve the proportion of people without access to safe water and sanitation by 2015 *Un Millennium Development Library: Taking Action* Taylor & Francis Group, Un Millennium Project, 2020-09-30 The Millennium Development Goals adopted at the UN Millennium Summit in 2000 are the world's targets for dramatically reducing extreme poverty in its many dimensions by 2015 income poverty hunger disease exclusion lack of infrastructure and shelter while promoting gender equality education health and environmental sustainability These bold goals can be met in all parts of the world if nations follow through on their commitments to work together to meet them Achieving the Millennium Development Goals offers the prospect of a more secure just and prosperous world for all The UN Millennium Project was commissioned by United Nations Secretary General Kofi Annan to develop a practical plan of action to meet the Millennium Development Goals As an independent advisory body directed by Professor Jeffrey D Sachs the UN Millennium Project submitted its recommendations to the UN Secretary General in January 2005 The core of the UN Millennium Project's work has been carried out by 10 thematic Task Forces comprising more than 250 experts from around the world including scientists development practitioners parliamentarians policymakers and representatives from civil society UN agencies the World Bank the IMF and the private sector This report lays out the recommendations of the UN Millennium Project Task Force on Education and Gender Equality The Task Force recommends seven strategic priorities strengthen post primary education for girls while ensuring universal primary education guarantee sexual and reproductive health and rights reduce women's and girls time burdens guarantee property and inheritance rights eliminate gender inequality in employment increase women's participation in government and significantly reduce violence against women Action on these priorities will enable countries in every region of the world to achieve gender equality and women's empowerment by 2015 **Millennium Development Goals** Sakiko Fukuda-Parr, 2017-07-14 Heralded as a success that mobilized support for development the Millennium Development Goals MDGs ushered in an era of setting development agendas by setting global goals This book critically evaluates the MDG experience from the capabilities and human rights perspectives and questions the use of quantitative targets as an instrument of global governance It provides an account of their origins trajectory and influence in shaping the policy agenda and ideas about international development during the first 15 years of the 21st century The chapters explore whether the goals are adequate as benchmarks for the transformative vision of the Millennium Declaration how the goals came to be formulated the way they were drawing on

interviews with key actors who were involved in the process how the goals exercised influence through framing to shape policy agendas on the part of both developing countries and the international community the political economy that drove the formulation of the goals and their consequences on the agendas of the South and the North the effects of quantification and indicators on ideas and action and the lessons to be drawn for using numeric goals to promote global priorities Representing a significant body of work on the MDGs in its multiple dimensions compiled here for the first time as a single collection that tells the whole definitive story this book provides a comprehensive resource It will be of great interest to students researchers and policymakers in the fields of development human rights international political economy and governance by numeric indicators **Long-term Conflict Prevention and Industrial Development** Ralf Bredel,2021-10-25

Development and the State in the 21st Century Erica Frantz,Natasha M. Ezrow,Andrea Kendall-Taylor,2015-10-26
Development and the State in the 21st Century provides a comprehensive analysis of the state s role in contemporary development The book examines the challenges that states face in the developing world from lasting poverty and political instability to disease and natural disasters and explores the ways in which states can build capacity to surmount these challenges It takes seriously the role that state institutions can play in development while also looking at what institutional reform entails and why this reform is critical for policy recommendations to work This analysis is set in the context of the evolution of both development practice and development theory Chapters are organized around the key issues in the field and deploy a wide range of examples from different countries A range of case studies throughout the text demonstrate the variety of problems development practitioners face and the key theoretical debates surrounding the subject This text will be particularly useful to students of development and politics who wish to understand how governance and state building can improve countries economic performance and end cycles of poverty **Sustainability Principles and Practice** Margaret Robertson,2021-02-09
Sustainability Principles and Practice gives an accessible and comprehensive overview of the interdisciplinary field of sustainability The focus is on furnishing solutions and equipping students with both conceptual understanding and technical skills Each chapter explores one aspect of the field first introducing concepts and presenting issues then supplying tools for working toward solutions Elements of sustainability are examined piece by piece and coverage ranges over ecosystems social equity environmental justice food energy product life cycles cities and more Techniques for management and measurement as well as case studies from around the world are provided The 3rd edition includes greater coverage of resilience and systems thinking an update on the Anthropocene as a formal geological epoch the latest research from the IPCC and a greater focus on diversity and social equity together with new details such as sustainable consumption textiles recycling microplastics and net zero concepts The coverage in this edition has been expanded to include issues solutions and new case studies from around the world including Europe Asia and the Global South Chapters include further reading and discussion questions The book is supported by a companion website with online links annotated bibliography

glossary white papers and additional case studies together with projects research problems and group activities all of which focus on real world problem solving of sustainability issues This textbook is designed to be used by undergraduate college and university students in sustainability degree programs and other programs in which sustainability is taught

Kofi Annan and Global Leadership at the United Nations Abiodun Williams, 2024-05-23 Kofi Annan was the most significant and influential Secretary General of the United Nations Kofi Annan and Global Leadership at the United Nations is a study of how Annan conceived his role as Secretary General and exercised global leadership at a turbulent period in world affairs Williams discusses the challenges he faced during his tenure from 1997 to 2006 and how he dealt with them The volume sheds light on the importance of leadership for the performance of a global institution and examines such issues as Conflict Prevention Peacekeeping Peacebuilding the Millennium Development Goals HIV AIDS the Responsibility to Protect Human Rights Climate Change and Migration It provides insight into how Annan led the UN during several international crises including the terrorist attacks of 9 11 conflicts in Kosovo and East Timor and the war in Iraq It illustrates how he built partnerships with non state actors including nongovernmental organizations the private sector universities think tanks and Nobel laureates in order to advance the UN s mission without relying exclusively on state power and inter state cooperation Kofi Annan and Global Leadership at the United Nations charts Annan s ambitious efforts to reform and adapt the UN to the needs of the twenty first century It is a pathbreaking and authoritative volume and a union of scrupulous scholarship and insider knowledge of the UN

Research Handbook on Freshwater Law and International Relations Mara Tignino, Christian Bréthaut, Recent decades have seen pivotal changes in the management and protection of water resources with human rights environmental and water law each developing a strong interest in the conservation of fresh water This surge in interest has meant that dispute settlement mechanisms along with diplomatic tools are becoming increasingly necessary for conflict resolution This Handbook offers an analysis of the interaction between law and various forms of knowledge and expertise ranging from economics to environmental and social sciences Leading scholars examine general and specific water legal regimes and analyse the interplay between various disciplines in order to establish the extent to which law is informed by each

Negotiating the Sustainable Development Goals Felix Dodds, Ambassador David Donoghue, Jimena Leiva Roesch, 2016-11-03 The Sustainable Development Goals SDGs are a universal set of seventeen goals and 169 targets with accompanying indicators which were agreed by UN member states to frame their policy agendas for the fifteen year period from 2015 to 2030 Written by three authors who have been engaged in the development of the SDGs from the beginning this book offers an insider view of the process and a unique entry into what will be seen as one of the most significant negotiations and global policy agendas of the twenty first century The book reviews how the SDGs were developed what happened in key meetings and how this transformational agenda which took more than three years to negotiate came together in September 2015 It dissects and analyzes the meetings organizations and individuals that played key roles in their

development It provides fascinating insights into the subtleties and challenges of high level negotiation processes of governments and stakeholders and into how the SDGs were debated formulated and agreed It is essential reading for all interested in the UN sustainable development and the future of the planet and humankind **Internationalizing and Privatizing War and Peace** H. Wulf,2005-08-05 In this timely work the author analyzes the use of private military firms and international interventions of the military Outsourcing to the private sector takes missions away from the military but the shift towards international intervention adds new wider functions to the traditional role of defence If these two trends continue at the present pace important security functions will be out of control of parliaments national governments and international authorities The state monopoly of violence an achievement of civilization is at stake *Parliamentary Assembly Official Report of Debates 2000 Ordinary session (Fourth part, Volume IV), September 2000 Council of Europe, Africa Environment Outlook 2* United Nations Environment Programme,2006 This is the second comprehensive report on the state of Africa s environment produced in collaboration with the African Ministerial Conference on the Environment AMCEN This report highlights the central position Africa s environment continues to play in sustainable development as well as its potential to achieve progress in the implementation of the Millennium Development Goals The report profiles Africa s environmental resources as an asset for the continent s development It highlights the opportunities presented by the region s natural resource base to support the continent s development It also underscores the concept of sustainable livelihoods and the importance of the environmental initiatives in supporting them The Global Campaign on Urban Governance United Nations Human Settlements Programme,2002 International Law and the Principle of Non-Intervention Marco Roscini,2024 This book provides a systematic analysis of the principle of non intervention from a historical theoretical and systematic perspective Roscini argues that the principle is strictly linked to some fundamental notions of international law such as sovereignty use of force self determination and human rights protection **Conflict Prevention** Andreas Wenger,Daniel Möckli,2003 Offering a new perspective the authors show how efforts to prevent violent civil wars could be much more effective if they incorporate the business sector **UN Millennium Development Library: Trade in Development** UN Millennium Project,2012-05-16 The Millennium Development Goals adopted at the UN Millennium Summit in 2000 are the world s targets for dramatically reducing extreme poverty in its many dimensions by 2015 income poverty hunger disease exclusion lack of infrastructure and shelter while promoting gender equality education health and environmental sustainability These bold goals can be met in all parts of the world if nations follow through on their commitments to work together to meet them Achieving the Millennium Development Goals offers the prospect of a more secure just and prosperous world for all The UN Millennium Project was commissioned by United Nations Secretary General Kofi Annan to develop a practical plan of action to meet the Millennium Development Goals As an independent advisory body directed by Professor Jeffrey D Sachs the UN Millennium Project submitted its recommendations to the UN Secretary

General in January 2005 The core of the UN Millennium Project's work has been carried out by 10 thematic Task Forces comprising more than 250 experts from around the world including scientists development practitioners parliamentarians policymakers and representatives from civil society UN agencies the World Bank the IMF and the private sector The trading system is unbalanced against developing countries Correcting the imbalance will give developing countries greater economic growth potential and a more effective capacity to defeat poverty The progressive elimination of remaining trade barriers in goods and services with rich countries leading by example coupled with enough support for poor countries to bear adjustment costs and build export capacity must be part of the international pursuit to overcome poverty

United States Practice in International Law: Volume 1, 1999-2001 Sean D. Murphy, 2003-01-09 Sean D Murphy's wide ranging and in depth 2002 survey of U S practice in international law in the period 1999 2001 draws upon the statements and actions of the executive legislative and judicial branches of the U S government to examine its involvement across a range of areas These areas include diplomatic and consular relations jurisdiction and immunities state responsibility and liability international organizations international economic law human rights and international criminal law At the time of its first publication this summary of the most salient issues was a central resource on U S practice in international law The volume contains extracts from hard to find documents generous citations to relevant sources tables of cases and treaties and a detailed index Revealing international law in the making this essential tool for researchers and practitioners was the first in a series of books capturing the international law practice of a global player

International Law Malcolm N. Shaw, 2003-09-25 This fifth edition of Malcolm Shaw's bestselling textbook on international law provides a clear authoritative and comprehensive introduction to the subject fully revised and updated to Spring 2003 Basically preserving the structure which made the previous edition so successful a new chapter on Inter state Courts and Tribunals considers the role of the International Court of Justice and the International Tribunal on the Law of the Sea and there is a new chapter on international humanitarian law Also examined are arbitration tribunals and the role of international institutions such as the WTO in resolving conflicts The prosecution of individuals for violations of international law is examined Additional coverage of events in Kosovo and Iraq analyses the questions of humanitarian intervention and the role of the UN Written in a clear and accessible style setting the subject firmly in the context of world politics and the economic and cultural influences affecting it this book remains a highly readable and invaluable resource for students and practitioners alike The scope of the text makes this essential reading for students of international law international relations and the political sciences The book is also valuable to professionals and governmental and international civil servants
