Big Ideas	Self	Respect	Love	Family & Friendship	Society	Crime & Honesty
U N I V E R S A L  T H E M E S	Trust and follow your instincts.	Treat others how you wish to be treated.	Sometimes we have to make sacrifices for the people we love.	Working together is more powerful than working alone.	It's not always good to listen to what others say.	The innocent aren't always treated fairly.
	Stand up for what you believe in.	Being honest is the best policy.	One of the greatest gifts is to love, and be loved in return.	Be careful who your friends are.	Don't judge others without knowing what they've been through.	Violence is necessary sometimes.
	Follow your dreams.	It is better to give than receive.	Love is the worthiest of pursuits.	True friends tell you when you're wrong.	People can change for the better or worse.	Dishonesty will always catch up with you.
	It's important to face your fears.	You have to give respect to get respect.	Life doesn't always have happy endings.	Family is one of the most important things in life.	Fight for what you believe in.	Honesty is the best policy.
	It's good to be different.	Be responsible for your actions.	Tell people what they mean to you before it's too late.	Stand by the people you love and support them.	Humans all have the same needs.	The truth will set you free.
	Treasure the good things in life.	Take care of the world around you.	Love has the power to change us, for good or bad.	Enjoy the people in your life while you can.	Success comes with working together.	Seeking revenge will only destroy you.
	Don't let other people's opinions define you.	We are all special because of what makes us different.	True love can overcome any obstacle.	Don't leave family behind.	You must work hard to overcome difficulties.	We must accept the punishment for our crimes.
